New Royal Theatre Under New Management

Recently Renovated—New Fibre Screen Installed—Cool and Inviting at all Times.

The Royal Theatre during the past few weeks has been thoroughly renovated and is modern in every respect. Nothing has been left undone or no expense been spared for the comfort of the patrons.

The Royal Theatre is now equipped with the famous typhoon cooling system, which insures a change of air every 60 seconds. Always cool and comfortable. No tired eyes after seeing a picture at the Royal. The management has installed one of the famous Gardiner Velvet Gold Fibre Screens which produces unusually clear pictures in graduated color tones, thus eliminating the violent black and white contrasts which are injurious to the eyes. On the new screen all color tones are contrasted in their true values; for instance, an actor wearing a black felt hat and blue serge suit, does not simply appear to be wearing dark clothing, you can see that he has a blue suit and black hat because of the tonal contrast made possible by the velvet gold-fibre surface of the screen.

The management of the Royal invites everyone, especially the children and elderly movie fans to visit the Royal as often as they wish and sit anywhere in the theatre, the picture will not hurt their eyes, and are promised a treat in the form of a motion picture that is seemingly a bit of actual life.

Simpkins' Entertainers are proving quite a favorite each night from 7:30 to 9:30. Suggestions for the improvement of the Royal Theatre are welcomed at all times. At this time we also wish to announce that the Royal Theatre is suitable and available every Sunday afternoon or night for public meetings and that no charge is made for the use of the theatre or the lights.

The Royal Theatre is operated in conjunction with the largest and best colored theatres in the South, Lincoln theatre, Nashville, Tenn.; Lincoln theatre, Charleston, S. C.; Bijou theatre, Nashville, Tenn.; which insures the patrons of the Royal Theatre the best at all times.

We were highly honored Sunday to have with us in our city Rev. Spears of Sumter, S. C. Rev. Spears preached a wonderful sermon at Bethel A. M. E. church at 11:00 a. m., using for his text Job 19:23-24. "Oh that my words were now written! Oh that they were printed in a book! That they were graven with an iron pen and lead in the rock forever."

This was beautifully explained and all were inspired by this excellent sermon.

At 3:30 p. m., Sunday school. Here we listened to the instructive teaching of Rev. Spears about the books of the Bible. This was much enjoyed. Just before dismissal all of the Sunday school scholars were served to candy as a token for the work done in the Rally.

6:30 p. m., the League. We had an interesting lesson, subject: "The World's Need." This was deeply discussed; after which Rev. Spears gave us some helpful remarks. At 8 p. m., he preached another wonderful sermon. We will be delighted to have him visit our pastor Rev. Benbow again. He'll always have a hearty welcome to Bethel.

Howard High School played the last two games with Lincoln High school of Sumter last Monday and Tuesday. Howard Hi showed Lincoln Hi how to play real base ball by tying the first day and knocking them out on the second day 9 to 6, in favor of Howard.

The three divisions for the fifth grade gave an indoor picnic

at Palmetto Casino on last Thursday. Quite a few from the other classes were invited and attended. A delightful time was had by all present. After which a delicious course of pine apple ice cream and cake was served by the teachers of the three divisions.

Messrs. Luther T. Purvis and Philip H. Brunson have gone to Asbury Park, N. J., for the summer. Truly hoping for them a successful stay.

Mr. James Albert Squire, a student of Johnson C. Smith University—Charlotte, N. C., whose home is in Washington, D. C., is spending some time in the city with his cousin Charles S. Browne. Mr. Squire is a very inspiring young man and is well known by nearly everyone in Georgetown.
