\$80.40 FOR NEW HOWARD.

During the war, I taught the colored women and children how to knit sweaters, mufflers, helmets, socks, etc.; also led in raising money among the colored people. I was given a service medal by the Red Cross Society. While teaching at Old Howard school I led in raising money for the benefit of the school. Since I have been to New Howard school I have raised \$145.00 or \$150.00; after paying out \$65.00 expenses. I handed my faithful Principal W. P. Dendy \$80.40.

This \$80.40 added to the Fence Fund made a total of \$270.00.

I desire to thank Prof. I. M. A. Myers and his efficient corps of teachers for raising \$7.25. I also desire to thank my class, good manners of Busy Bee Club and the partons who assisted me in making the entertainment a success.

Regardless of falsehoods, back-bites and criticisms, we should take the name of Jesus with us and press forward until we reach the goal. Paul was struck blind for persecuting the Christians; Annanias and Sapphira fell dead for lying.

In the past I strove to do those things that were right and pleasing in the sight of God; in the future I intend to do the same. And with my head held high in the air, I intend to work for the upbuilding of God's kingdom and fallen humanity until the last beam fades.

I like to read the 91st Psalm, and that's an excellent Psalm for us to read.
