IT IS WISE TO REMEMBER

Undertakers and Embalmers
Why we should be called upon when
an undertaker is required is because
of the advantages we offer. It is part
of our policy to save the family every
dollar possible, not to swell the bill
as much as the family will stand. So
in detail of service we cut the ex-
pense to the lowest possible point.
The result is a bill that represents
a large saving over the usual under-
taking charges.
