At the next meeting of the conference, which will be held at State college, January 9, a representative of the state department of education will be asked to meet with them and advise as to the new plans to raise the standard of the Negro schools and to better equip the teachers in Negro schools coming from these colleges, according to a motion made by President D.

Detroit Stirred By Race Trouble

Continued from Page 1.

doubtedly furnish the fuel for a real riot, and there is such a grim determination of the authorities of Detroit that the good name of the community shall not be further blotted.

It is impossible to say at this time just what the effect of this latest occurrence will have upon the future of the Negro in Detroit. The Associated Negro Press can state with authority of the highest kind that the automobile industries, including the mammoth Ford organization, are united in their purpose to continue Negro workers in their employ, and they are fully aware of the fact that efficiency cannot be maintained where there has been created a feeling of unrest in the midst of the very people who are today their chief source of recuperation; since the immigration act is in effect. While in the instances to date, the trouble has not been with the masses, it is realized, by these employers, that it will not be long before the reaction will reach down, and it is this problem with which Mayor Smith, police officers, and employers are concentrating their attention.

The N. A. A. C. P., the Urban League, various religious denominations and the Y. M. C. A. have declared that they will closely follow the proceeding weeks and months in this serious situation of race adjustment. A number of ministers took the subject for their pulpit Sunday.

Ruffin News.

Rev. C. B. Brown, pastor of Ruffin charge has just closed his revival with great results. The Rev. S. E. Dunham of King's Mountain, N. C., assisted with the meeting. He being a man up on the job, things were compelled to go over the top. During this meeting 17 persons were converted, besides 13 conversions were added to the church. Total collected \$230.71. The Rev. Brown has things well in hand on the charge; the people everywhere are shouting his praise. This being his first year in the lower country we were afraid for him, but he and family have been blessed with health so far. Of course Ruffin is the heart of Colleton county, when it comes to flowing wells and good health. When you want to get healthy ask the Supt. for a job on Ruffin charge.

Mr. Willie Brown, son of the Rev. C. B. Brown accompanied by wife, three children and sister Nancy Brown of Buffalo, N. Y., spent two weeks with their parents. They motored from Buffalo to Ruffin taking four days to make the trip.

The people of Ruffin sure enjoyed having them and they were kept busy being entertained from one home to another.

The Rev. Brown has roused the young people by training them the social games of the church. We can get a crowd most any time. We are glad that Ruffin is getting in line with other places and hope more will be read about Ruffin than ever before.

Darlington News.

Mrs. Julia T. Embley has recently returned to Darlington from her vacation spent in New York, Atlantic City and Washington, D. C.

Her hosts of friends all over the state were extremely proud and (pleasantly so) to learn of her speedy recovery from a recent operation performed while in New York at the Roosevelt hospital. The records of this institution show that she was a remarkable patient while there accepting her operation with due calmness and obedience which accounted for her early dismissal. Her mother Mrs. Maria Thomas of Sumter, S. C., was constantly at her bedside.

We are glad to have her return to Darlington where she and her husband take great interest in the church, social and civic affairs of our community.

A GREAT DAY AT THE ROCK HILL COLORED SCHOOL.

One of the greatest meetings ever held in Rock Hill section school district No. 6, Richland Co., was held on Monday, Labor Day. A good many of the city friends joined in with us to witness the corner stone laying of the new Rosenwald school by Rock Hill Lodge, K. of P.

The meeting was called to order by Prof. J. D. McRant, and prayer was offered by Deacon S. Johnson. Welcome address by Dea. Young. We had some of the best speakers of the city.

Before laying the corner stone a special program was rendered Rev. H. S. Gallman, Prof. Green Jackson, Mr. I. S. Leevy and Prof. L. A. Hawkins.

The people of our community surely had a treat. Prof. Hawkins told them that a fine school house was no good unless they had the right teachers.

We are always glad to have our leading men among us.

Prof. J. D. McRant was Master of Ceremonies. He has been elected as our principal for this term. Miss Lila Blakeley assistant. We are glad to have him back with us. He promised sometime ago, if we built a new school house, and give him more teachers, he would return. So we have just finished a four room Rosenwald school house.

Prof. McRant put on a ten minutes rally which Prof. Hawkins was appointed to collect the proceeds. We collected in

ten minutes \$25.00.

The following ones contributed as follows:

- Prof. J. D. McRant \$1.00; Prof. L. A. Hawkins \$1.00; Prof. Green Jackson \$1.00; Mr. Kike Epps \$5.00; Mr. I. S. Leevy \$1.00; Mr. Johnny Kingsley \$1.00; Mr. J. C. Goodwin \$1.00; Mr. Primas Stephney \$1.00; Mr. Sandy Johnson \$1.00; Mr. R. Richardson \$1.00; Mr. S. Brown \$1.00; Rev. J. H. Hopkins \$1.00; Rev. David Metz \$1.00; Mr. R. Smith \$1.00; Mr. Jno. Haskett \$1.00; Miss Mabel Howard .50; Mr. Jake Epps .50; Mrs. Wannamaker .50; Rev. Walker .50; Mr. Louis Young .50 Mr. Geo. Diamond .50.

After which we were served with barbecue, lemonade and cold drinks. The K. of P. in their usual way performed the ceremonies in laying the corner stone, which bore the names of Mr. Rosenwald, Mr. C. W. McCreery, Supt. Eleazer and Supervisor, Mrs. A. M. Garrett, and the colored trustees.

Mr. C. W. Creery gave us (4) four acres of land to build and also a nice donation of which we shall not forget him.

So ended our day's work. Wm. HOLLEY, Reporter.
