

REV. J. C. WHITE SOUNDS THE "S. O. S." CALL FOR MORRIS COLLEGE TO THE SUNDAY SCHOOLS AND B. Y. P. U.'s OF THE STATE.

To all Sunday Schools, B. Y. P. U.'s. District Sunday School Conventions of South Carolina Greetings:

This appeal I make to you is an urgent necessity. On Thanksgiving Day, which is the last Thursday in this month November is the Rally Day at Morris College to pay for the new building there, which has been erected there since the last Commencement to replace the the Boys' Dormitory lost by fire a few days before school closed.

I am asking every Sunday School and B. Y. P. U. of this State as well as to every Sunday School Convention in this State to send to Dr. Starks, of Morris College, at once as large an amount of money as you possibly can, if you cannot get there on Thanksgiving Day.

I appeal to every pastor of the State, and Superintendent and president of a B. Y. P. U. also president of a Sunday School

Convention to rally next Sunday for this most important cause.

"If you cannot give your thousands, You can give the widow's mite, And the least you do for Jesus Will be precious in His sight."

Many of our Sunday Schools can easily send in to Morris College \$50, \$25, or \$10. Plenty of B. Y. P. U.'s \$5.00; Conventions could give \$1.00, it ought and must be done.

I further appeal to district Missionaries in the various associational fields of this State to see to it that this money is on hand Thanksgiving Day.

Let this S. O. S. CALL be heeded to from the mountains to the sea. We must pay Morris College out of debt on Nov. 26th.

Yours for the cause and in His name.

J. C. WHITE, Pres., of the State Sunday School and B. Y. P. U. Convention of South Carolina.

A. AND T. NOTES

Mr. Thomas Johnson, tenor soloist, New England Conservatory of music, accompanied by Mr. Byron Withers, appeared in a recital Tuesday evening, Nov. 10, 1925. Mr. Johnson sang several selections from Giordani, Mendelssohn, Schubert, Bennett, Tosti, Foote, Delibes and Burleigh. The large audience was highly pleased with the young artist.

Sophomore College Class Gives Play Armistice Day

Wednesday night, the sophomore college class, under the supervision of professor Broderick, Department of English, presented the play "Safety First." Prof. Broderick, A. B., Otterbin College, M. A., Columbia, is a thoroughly prepared teacher. The participants acted well in their parts.

Friday night, November 13, members of the Junior and Senior college classes under the supervision of Prof. W. S. Ravenell displayed their ability as future orators. The orators were: Messrs. Southgate Clark, Washington Hawkins, William Felder Edward Sinclair J. W. Oliver and Ophie H. Williams.

In keeping with the trend of thought, Armistice Day was observed by the college. At 10:30 o'clock, the faculty and student body gathered in the chapel, at which time, a very appropriate program was rendered. "The World's Court" was the theme for discussion. Messrs. Patterson and Holloman presented points against "The World's Court" Messrs. Pitts and Galoway in favor of the "Court."

Our invincible foot ball team literally swamped Bennett Col. institution. Coach Byarn sent in the varsity at the beginning of the game. During their stay of fifteen minutes, only 26 scores were made. Lane, Bell, "Bus" Coleman, acting as the scorers. During the 2nd and 3rd quarters, "The Colts" took the field; at which time, "Little Bit Henderson", Cheatman, Foust and Duncan carried the ball over for 13 points. In the fourth quarter, the varsity returned and ran across 35 points, thus totalling 74 tallies.

The State Teachers' Association of North Carolina will convene at A. & T. College November 25-27. All arrangements are being made for the reception and entertainment of the educators of the old Tar Heel State.

A torpedo takes four minutes to reach a target 6,500 yards away.

Representatives of the State Department of Education have promised to be present and lend their assistance in making the sessions instructive and educative. One of the greatest features of entertainment will be the All southern foot ball classic between Shaw and A. and T. College, Thanksgiving Day.

Game will be called at two o'clock P. M. City Baseball Park. Four excursions, numerous social affairs.

Seasiders win From Varsity

The championship hopes of the varsity was smashed to pieces when the "Seasiders," the sons of General Armstrong, smothered Coach Byarn's charges and won the game by a score of 12 to 0. The A. and T. boys were unable to put the pig skin across the coveted chalked line. Preparations are being made to conquer Shaw. Thanksgiving Day here at Greensboro a large crowd is expected to be on hand to see the pride of N. C. fight it out for honors.

November 16-22 has been set aside as education week every day during this week, there will be thirty minutes chapel service at which time interesting programs will be rendered. Every effort is being put forth to make the week's exercises profitable. Friday November 20, the Agricultural Department will be in charge of the Arbor Day celebrations. It is the plan of the Department to hold two series of exercises, one in the open air at three in the afternoon; the other at eight o'clock in the chapel.

The members of the senior college class will plant and dedicate a class tree in the afternoon. The Agricultural Society under the supervision of Director Stanley, will render an Arbor Day program at eight o'clock E. M., Mr. McKethan, president of the society will act as master of ceremonies. The Agricultural Society is the strongest organization in the college. This will be its first public appearance for that reason, every effort is being put forth to make it a success.

On Saturday night, Nov. 14, from eight until eleven P. M., in the Agricultural Building, President and Mrs. F. D. Bluford entertained the new members of the faculty. The faculty of the college together with friends from the city and some distinguished out-of-town guests who were present, reported a most delightful evening. The hall was artistically decorated. Delicious refreshments were served.

ved. Music was furnished by the college orchestra.

Mr. W. B. Harrison, former County Agent, Anderson County S. C. was granted a leave of absence to attend the Anderson County Colored Fair. Farm Superintendent Harrison was the founder of this fair and during the time, he was serving the people of Anderson County as County Agent, through his untiring efforts, the fair was an overwhelming success. When leaving Anderson for Greensboro, because of the valuable assistance rendered the Fair Association, and cognizant of the impossibility of successfully carrying out the plans formulated by him, the Fair Association requested the former Agent to return to Anderson during their Fair Week. Even in the face of the many urgent duties here at A. and T. College, Farm Superintendent Harrison journeyed to the people whom he formerly served, and again threw himself into the work of the fair.

THANKSGIVING DAY.

Thanksgiving day began many years ago, and since that time the world has often been full of woe. But each year we celebrate Thanksgiving and are at least thankful we are living.

We are all prone to forget the many blessings that our path beset, but if we all think a little while we can master a thankful smile.

We should be thankful our boys are not away, but here, on this Thanksgiving day. Just seven years have passed since many were wounded and gassed.

The financial loss has been great, while we all of hard times prats, but thankful we would be if we could see the starving across the sea.

When we have decided we are blest, let's not forget to be thankful for eternal rest, and the God fo Heaven, watches over us from seven to seven.

Mrs. Ida Durette and myself went to Togloo Baptist church near Westminster, S. C., and enjoyed a nice program of the 9th Anniversary of the Pastor, Rev. W. M. Brown.

Sermons preached by Bro. K. J. Jenkins, Rev. D. W. Williams, Rev. C. M. Galloway and Rev. W. M. Brown were enjoyed by all who heard them.

Various subjects were discussed. Anniversary by Bro. W. H. Harrison and he did himself credit.

Mrs. Ida Durette held the audience spell-bound on the subject: "How can we interest the young people to attend religious services." We had remarks from others.
