Thanksgiving Day 1925 has passed into history. According to the President's proclamation it was a National holiday. McBeth School, Wallace Street

Primary School closed on Wednesday giving teachers and pupils two days many took advantage of this opportunity and spent the week end at home with parents.

Services were held at Corinth Baptist Church in the morning. Rev. Daniels our pastor, preached a most excellent sermon on Thanksgiving. A small yet very appreciative audience attended the services, each one gave expressions of thankfulness for all past blessings.

An offering was taken and divided among the older members of Corinth. We were sorry that the amount was not large enough to give others; we feel that it is not too late to remember them now.

On Wednesday evening, Nov. 24th, services were held at St. Paul Baptist Church, of which Dr. A. A. Sims is pastor, the sermon and music was much enjoyed a thanksgiving offering was made, the amount realized has not been reported.

The teachers and pupils of 7th, 8th and 9th grades of McBeth High School are to be complimented for the excellent program on Tuesday evening Nov. 23rd.

Stirring Club of Corinth was entertained by Mrs. Eubanks, who lives on Church St. Mrs. Leola Worthy is the honored president of the Club and promises to put the Club "over the top"

The hostess served a delicious salad course, pimento sandwich, jello with whipped cream, cake and coffee. Many thanks were tendered for hospitality.

The solo by Rev. Daniels, Duett by Mrs. Pisboro and Miss McKissick, also Rec. by Mrs. Mcnter were all much enjoyed.

Missionary Circle of Corinth will have an Apron Social on Wednesday evening, Mrs. Carrie Byrd is the faithful president and still has an eye to business. On Sunday evening Dec. 6th, Mrs. J. S. Daniels will favor us with a solo, Mrs. Anna Simms, a paper, Messrs. Calhoun Thompson, Morgan, Garner and Robert Thompson will sing one of their best selections. Dr. Lillian Sorter, graduate pharmacist of Meharry College will favor us with an address, this will be at the meeting of the Womens' Missionary Society Corinth Baptist Church.

On Sunday afternoon, Nov. 29th, a service was held at Bethel A. M. E. Church, by the Masonic Order and Union's Quintette, (Mr. and Mrs. McJenkins, Mrs. Lizzie Blackwell, Messrs. Willie Fair and Thompson.) Prof. G. W. Bolden was Master of Ceremonies, he called the house to order and introduced several members of the Masonic Order, who spoke very complimentary of Rev. Dr. Gamble, in whose honor the services were held, and with regrets each of the speakers closed the remarks. Rev. Dr. Gamble responded in a very touching manner and indeed thanked all for this tribute of respect and love, he asked that this people continue praying for him and his family, we shall endeavor to do so and our best wishes go with him. He has pastored Bethel Church for five years and the members are willing for him to remain longer. Rev. Taylor will go to Blacksburg, we regret to see this family leave in so short a time but our best wishes go with them also.

A few weeks the "Million Dollar Wedding" was at Corinth Miss Alberta Ruff directed the play, which was very successfully arranged. All enjoyed it and were loud in praise for Miss Ruff. The groups taking part

made beautiful pictures, some of the couples looked so real, we wondered whether they understood it all or not.

Union County Teachers' Association held its meeting at McBeth School, Nov. 14th. Rev. Pitts address on cooperation, so-

lution by Mrs. Fant, and paper Modern Method of Teaching Geography, by Mrs. Janie Douglas were very good.

We hope to have Mrs. Douglas take us across the continent again some day. We enjoyed our imaginary trip with her very much, and tho' the distance from Columbia, S. C. to San Francisco California covered about 2,800 miles, we were delighted with all that we saw and interested in the natural beauty of this part of the world. We hesitated about going to China, but Mrs. Douglas kindly persuaded us to accompany her and take a peep there, so we consented—we were all delighted to pack up and return home again, after spending a most delightful visit with Mrs. Douglas across the ocean, and fully realized that after all "there is no place like home."

A little bird is saying that wedding bells will soon ring in these parts. The Dr. from Camden was a welcome visitor to our city.

Mrs. Julia McKissick has returned from "the land of flowers" and is delighted with her visit.
