ergetic principal and a faculty of good teachers. They will attend the Teachers' Convention here next March according to the report.

The House Party given by Mr. and Mrs. Wesley Ford, on Heidt Street last Wednesday night, was quite an elaborate affair. A large number were present and all expressed themselves as having enjoyed the evening.

Miss Daisy Roach very delightfully entertained Le Cercle Entra Nous on Thursday afternoon having as her guest of honor, Mrs. R. H. Paul. The games were played in a setting of ferns and the Valentine suggestions were used throughout the afternoon; mints being in the shape of tiny red hearts, while scores were kept on tally cards pictured with red hearts. A delicious salad course with tea was served, followed by a sweet course. Miss Henrietta Boozer scored highest and received a very dainty piece of lingerie and Miss Ruth DeLorme cut the consolation, a vanity novelty. Miss Roach presented each guest with a red satchet bag as a favor.

More than 500 of the best people in Columbia heard the Silver Tone Quintette in the auditorium at Allen University last Wednesday night. The entertainment was high class, enjoyable, and as Dr. Sims said in his comment at the close of the program, it is a distinct contribution of art by our group which adds much to the accomplishment of the Negro race. The Silver Tone Quintette is sent out by Mr. Chas. P. Williams, of Chicago—the man who made the Williams Singers famous in America and Europe. From his institution we have always gotten the best and the personnel of the troupe which entertained at Allen substantiates that. They made a profound impression, and gave an entertainment that a bigger crowd than attended last Wednesday night were they to come again next week.

Phi Beta Society Holds Regular Meeting.

Louis W. Thompson, Reporter. The regular meeting of the Phi Beta Society was called to order Tuesday evening, Feb. 9, 1926, by President B. F. Gibson.

The purpose of this Society is to develop the Collegiate students, intellectually and literally. Since the re-organization for the scholastic year, the Society has been almost doubled in strength. It is the predominating society of the campus and is recognized by the authorities of the institution.

The evening was the time when a program was to be presented. Consequently, a short program was rendered. The main feature of the evening was the address by Mr. John R. Stevenson on interesting facts about the Bible.

The final plans for the Annual Banquet, which is to be held Friday evening, February the twelfth. We are planning to have a unique, eventful Banquet that will be remembered for years to come.

Allen Christian Endeavor League Meets.

Sunday, February 7th, being Consecration Sunday, the A. C. E. League held joint meeting of the whole league, with Mr. Jas. M. Giles, General President, presiding. The main feature of the evening were the Song services led by Mrs. L. H. Washington, Matron of Coppin Hall; the remarks made by several students and the address by Mr. Louis McMillan, a visitor.

The Song Service led by Mrs. L. H. Washington was very inspiring. The songs used were Negro Spirituals, that rouse the God-like part of man called the soul. It seemed as tho' God was in our midst, as the words of these spirituals were sung from the depths of the souls of the students.

A new system of speaking was used. The president called on Mr. B. F. Gibson to be the first speaker. He called on another student; this student called on another and so on, until several students had spoken.

Mr. Louis McMillan, the Field Secretary of the Young Men's Christian Association, made an inspiring address that thrilled the entire student-body. Mr. McMillan was a visitor and was only passing thru the city. It is always a pleasure for us to have visitors to address us and see the marked degree of development under the administration of President James M. Giles.

CLAFIN'S QUINT STAGES COMEBACK

Orangeburg, Feb. 6—After losing the first game of the season to Paine the Clafin Quint hit their stride in the game with Haines and raced thru to an easy victory. From start to finish the Panthers outclassed the visitors, who fought gamely but hopelessly.

The Efforts of the adept Clafin forwards and McKay who was supposed to be in center but seemed to be every where at one time, resulted in a lead of 25 to 1 by the end of the half for the Panthers.

The Hainites were more alert in the second half and prevented the Panthers from making more than 16 points in this period, at the same time the contribution to Haines, scored by Anderson and Fisher, nettled 10 points This making the final score of 41-11.

To say that any one man featured the day for Clafin would be wrong, for it was quite evident that his victory was due to the effective five-man defense played by all.

BENEDICT BASE-BALL NOTES (By Theo. J. Hanberry) Benedict is again blessed with good prospects for another championship team. Among the older men that will take their regular berths are: McFarlin who will probably do the catching, "Mac" caught for the N. Y. Red Caps the past Summer. McClain will be back at second. "Slick" says he will stiffen a wicked club. Curry will be back for short again this year. Hughes who must do some of the twirling is in splendid shape, he will alternate with McFarlin at 3rd. Graham will be back at first as usual, yet "Dusty" may be called upon to do some pitching. Down in Savannah, they call him "Canon Ball Charlie." Scott, T. Jones and Worleman will supervise the the outer gardens. "Dinny" coming up to the mound occasionally to shoot a few across the plate.

Among the Rookies are: "Bus" Williams who says "Mac" can't catch. H. Lindsay, who thinks short-stop is his place. H. Monteth, who will try to replace Graham, swings from the port side with a good eye on the ball. Myers will try for 3rd, while Whaley will apply for admission to the pitching staff. Wodson has yielded his

birth of official scorer to T. Hanberry, to follow in the footsteps of the famous Walter Johnson. Benedict promise a good team because she has most of her old players back, only 2 having graduated last term, plus a good coach, Professor Smith will have the same kind of a winning team that he had in foot ball the past season. He has demonstrated his ability as a coach during the grid iron days of last fall. Benedict's Schedule. March 12—Schofield at Benedict March 16—Allen at Benedict March 19—Benedict at Paine March 20—Benedict at Schofield April 2—Benedict at Clafin April 5—Benedict at Morris Col. April 9—State Col. at Benedict April 16—Morris at Benedict April 23—Allen at Benedict April 30—Clafin at Benedict May 7—Benedict at State Col. May 14—Allen at Benedict.

They shall return, Christ, when thou appearest. Soon shall thy voice Corpfort those new-weeping, Bidding rejoice All in Jesus asleeing. Dixon, wife, Mrs. Ruby Harden of Atlanta, Ga., sister Mr. Dave Greenwood, of Monroe, Ga.

DEVAULT In sad but loving remembrance of our devoted wife and mother, Susanna DeVault who departed this life three years ago, Feb. 6, 1923.

Before our eyes she faded, Growing weaker every day; Patiently bearing her suffering Until God took her away. To see her slowly leaving us, As helpless we stood by; And drained the cup of bitter grief, The day we saw her die. Her loving husband and children, Julius DeVault, David DeVault, Laura, DeVault Barr.
