> We read with some degree of pleasure Prof. A. H. Gordon's article of last week on the Modern Negro Race Leader. We think it a fine produc--ion and it should be read before every gathering of Negroes in this and other States as it deals with facts clearly shown. We think our Negro teachers a failure if they fail to teach the younger generation to look first will bulid for me.

> We note again that some Do you think that the 6-0-1 law is being enforced by the authorities when the give the Negro Lchools
