OUR ENDORSED CANDIDATE

The Rev. Dr. T. J. Miles, ha been unanimusly agreed upon by the ministers of the Palmetto Conference as their choice for Epise nul house. The electoral and cliceted delegates to General Conference enthusiastically endofised the candidacy of Dr. Miles for the bishopric. Now when the min isterial delegates will be chose next week it will be the duty" attact where it will be preve to the state why Dr. Miles should be the standard bearer. Not because he is the Palmetto Conference choice bit, because of his exangelisti gifts that are needed in our Eps copacy. Add d to that is his out standing record as a funnerer an years of experience. While I an not attempting to dietate to the delegates that are to be elected at our conference but usel -dethey will have a good subject i Dr. Miles, and if they fail to mak a convincing argument, the faul will be in them. Then it is under stood that at the General Confer ence our standard bearer's main must be first on every-ticket. Ans candidates who want our support must write our cardidate's name on their ballots.
