The Palmetto Leader

# SCHOOL AND BAPTIST YOUNG PEOPLE'S CONVENTION ISSU

This issue of The Palmetto Leader, The S. S. and B. Y. P. U. Convention Issue, was made possible by the cooperation of those who wrote cards, letters an suggestions to the Corresponding Secretary, commending the idea. The owner, Mr. George Hampton, has shown every consideration to the compilers. W are grateful to him, to you and to the reading public for accepting the contents of this Convention Issue.

We dedicate it to Sunday School workers, B. T. U. leaders, Pastors, Church Officers and Religious Workers everywhere. It is not a perfect Convention

Issue but it gives you an idea of what we had in mind.

I am personally grateful to those who copied records, wrote articles, sent in news and to those news boys who will sell the extra copies. As your Dean of Methods, I shall rededicate my energies to the fostering of better methods of carrying on religious work among the churches everywhere.
