Allen University Will District Tuberculosis Wins Endorsement Offer New Courses

Field Work In Religious Education For Ministers In Service

Field work in religious educaion will be offered ministers in active service who desire to do High School, Union, from 10 a.m. independent study. This announce to 3 p.m., Saturday, September ment was made Tuesday by President S. R. Higgins, who was in an optimistic mood as to the outlook of the university during the coming session.

Ministers doing independent study as a part of the work will be given general outlines for the school of religiou at Allen the field work by the professors in charge, but will study at home with frequent conferences with the dean and instructors under whom they study.

Another fine piece of work going on at the college under the fine leadership of President Higis the furnishing of Coppin Hall by Presiding Elder Districts and other groups. These groups are placing new furniture in the girls' dormitory which has been e-conditioned,

The cooperative movement in furnishing the girls' don itery at Allen was conceived and planned by Mrs. Susie Flipper, dictinguish ed leader in civic and religious affairs in South Carolina.
