"THE BAHA'I TEMPLE HOUSE OF

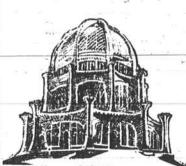

WORSHIP OF A WORLD FAITH"

Completion of the exterior orna mentation of the Baha'i House of worship at Wilmette, Illinois, on the shore of Lake Michigan, a temtendance. Both sides worked hard ple with is the world's unique to crown their Queen. In spite of spirit of symbol dedicated to the the loser; every one stent away oneness of humanity, is one of the distinctive events which marked the close of the old erlender year America and opened the good of the fiture,

Commemorating this achievetment, which has been accomplished over a period of forty years and in the face of great difficulties, the National Spiriturl Assembly of the Baha' is of the United States and Canadá has prepared a descriptiv brochure, or pamphlat, about the Femple, entitled "The Baha'i Turn He. House of Worship of a World

Illustrations and text in the 34 pages of the pamphlet trace the progress of the construction as it went hand in hand with the development of the Brha' Community in America and likewise reveal th meaning of the edifice as a symbol of 'dod's idivine laws uniting and guiding the human race in its progress toward spiritual development world harmony, justice and peace.

This Temple, the pamphlet points out in one of the three articles written by outstanding members of the Faith, is the first great edifice to be erected by the adherents of a revealed religion in the arly or formative years of faith. as such it bears historical importance in the history of Ameri ca and of the world.

From the time that the corner stone was laid in May, 1912, by 'Abdu'l-Baha, Teacher and Exemplay of the Faith of His Father Baha'u'llah, until the present completion of the exterior, the erection of this edifice has been achieved through the sacrifice of members of the Faith in all parts of the world, the historian writing in the pamphlet relates. The first group of American Baha' is centered in Chicago, and in their activity and devotion the ideal of constructing a great Temple was born soon of-
