

# 4,000 Negro Farmers Borrowed \$10-Million From FHA in 1957

WASHINGTON — More than 4,000 colored farmers received initial loans totaling close to \$10 million from the Farmers Home Administration during the fiscal year 1957, the U. S. Department of Agriculture estimated. This year...

The estimate shows that those colored farmers who had ahead of them... with Farmers Home... and received additional loans... who received... in drought and... areas.

The loans... a variety of needs... and improve family-type farms. A total of 153 farmers obtained loans to buy farms of their own... to develop... holdings... received loans to make... their farms... and...

Since the loan program was established 20 years ago, the Farmers Home Administration and its predecessor agency have made loans to 250,000 Negro farm families. These total more than \$300 million. More than 10,000 of the families received loans to purchase family-type farms of their own.

Altogether, during the 1957 fiscal year, white and colored farmers borrowed \$556.3 million from Farmers Home. During the same period, farmers received the money, \$294,633,000 on previous fiscal years—a balance outstanding as of last June of \$1,012,284,000.

Loans were... to obtain the land, labor, and other... from local sources... the profit needed to finance their operations. All... were accompanied, to the...
