

LOCAL DEPARTMENT.

Tillmanites Tinkled!
Conservatives Cheating Cold Crow
Many are called, but few chosen.

Prepare your ballots for the 13th.
Tillman selected, just as we expected.

Vote fall is predicted by some of
the earlier prophets.

General communications were
made out this week.

Hard job—trying to pull the wool
over a goat's eye.

Master Eddie Cannon, of Charles-
ton, is visiting relatives at this place.

Some of the County Candidates are
on and some are off the anxious
bench.

Chesterfield is right much of a snake
county, judging from the Prohibition
vote.

Miss Aline Campbell, of Steer Pen-
township, is spending the week in
town.

Election expenses in the city of New
York amount to over a half million
dollars.

Mr. W. F. Sullivan has opened out
a stock of groceries in the room next
to the Drug Store.

Col. Fred Rivers Sr. was in town this
week attending Court and teasing the
candidates as usual.

Miss Hawley Spencer, from Spenc-
ersville, has been spending several
days with relatives in town.

From the best information we can
gather the Antis shelled the woods
lively in the fight for Clerk.

Mr. D. L. McPherson, of Kershaw,
formerly of this county is visiting his
many friends in this section.

It's hardly in a body's power
to keep at times from being sour
to see how things are shared.

Miss Sallie Norwood, from the lower
part of the County, has been spend-
ing awhile with relatives in town.

Mr. Jno. W. Ingram of Irvington,
has a stalk of corn that measures 6 1/2
inches round, and 2 1/2 inches through.

From the reports at hand it seems
that the Tillmanites took about
everything in sight last Tuesday.

Hunting for votes, is what the twenty
candidates in this county are do-
ing now. It's going to be lively.

Fodder and peavine hay were freely
offered for a vote at this precinct last
Tuesday, but it was no "lemon-
ade."

At the election of 1871, the total
vote was 1049, and in 1872,
it was 1049.

Don't forget that candidates for
even of the most important offices in
the county will be selected next Tues-
day.

In the State the vote stands "For
Prohibition" 35,932, against Prohibi-
tion 26,452, majority for Prohibi-
tion 9,480.

Chickens laid out in the last of
the "dog days," especially roosters
that crow before they are feathered,
never turn (r) out well.

The editor of the Advertiser returns
very sincere thanks to Messrs P. M.
Hickory and W. J. Rivers for deli-
cious treats of figs.

It is to be hoped that every voter
in the county will turn out next Tues-
day (13th) and express his choice for
the offices to be filled.

Although defeated on the first
round, Commissioner McCoy contin-
ues to sing his Tillman song and is
as cheerful as a cricket.

In one day the human body gener-
ates enough heat to melt forty pounds
of ice and raise it to boiling heat.
Election times not counted.

There is no room for the Third party
in South Carolina, and our people
all understand the situation" even if
their honor was not at stake.

We are indebted to Master Thomas
Mulloy the Advertiser "Devil" for a
parrot-toed chicken. It's live, living
and another "dog days" curiosity.

The election of 1891-92 from
the ending August 1st to the ending
of 1891, was 8,652, 597 last
year and 7,211,872 year before last.

We hear of two weddings that are
now fixed for the near future, and of
two more that are among the proba-
bilities. For further information in-
quire later.

In the race for Solicitor of the 4th
District, Johnson beat Townsend by
a handsome majority, Chesterfield
gave him 863 and named the next
Solicitor.

Mr. F. H. Hursey, baggage master
on the Coast Line between Wadesboro
and Sumpter, is spending the week
with his many friends and relatives
in this section.

Clerk Weatherly and Sheriff Rogers,
of Marlboro, and Sheriff Cole, of Dar-
lington, who have been in office for
the past sixteen years, were down
here.

The editor returns his heartfelt
thanks to the ten hundred and eight-
een voters who complimented him
with their ballots last Tuesday, and
prays they may never have occasion
to regret their choice, and that the nine
hundred and two who opposed him
may all find something in his
stewardship to commend.

Announcements of the candidates
to run in the second race will be found
in another column. Give to each due
consideration before making up your
ticket for the 13th.

So far as we can learn the primary
election was conducted fairly and in
accordance with the rules of the Demo-
cratic party. No loyal Democrat
will appeal from that decision.

Tillman carried all the counties of
the State with the exception of five—
Charleston, Richland, Georgetown,
Sumter and Beaufort. His majority
in the State is about 20,000.

The communication of Mr. W. F.
Stevenson, member of State Conserva-
tive Committee, pledging his fac-
tion to support the nominees, pub-
lished to-day, has the right ring about
it.

It was the hardest work they have
had in many a day, say the Manag-
ers of the late Primary. It took
nearly all night to count the votes
but the work was done willingly and
cheerfully.

James S. W. Melton is being urged
by the Republicans to be a candidate
for Governor in this State. No use
talking about it all day long now,
and Tillman's going to "take the
cake."

The worst thing a defeated candi-
date can do is to get sore over the
result. It is better to accept the
situation gracefully and adopt the
policy "if at first you don't succeed,
try, try again."

Chairman Dible says the Conserva-
tives will abide the result of the pri-
mary. And Reformers are pledged to
abide by the action of the Chicago
Convention. So here's at Harrison
hard and heavy to the finish.

Rev. R. A. Yongue is visiting friends
at Kingstree and will be absent Sun-
day. He has preached from one to
three sermons nearly every day since
the first of May, and goes to enjoy a
much needed resting spell.

Mr. David Teal sends the Advertiser
a fine stalk of Louisiana sugar
cane. Mr. Teal plants this variety
altogether and made 136 gallons last
year from one-eight of an acre and
sold about \$20. worth of seed.

All the flings and insults cast upon
Gov. Tillman only irritate his friends
and bind them closer to him. Reflec-
tions upon him are reflections upon
those who have selected him as their
leader.

Our friends, the Antis, began the
campaign by claiming that they were
"five hundred strong" in this county.
As will be seen the Shepherd delegates
only reached 492, "high water mark"
a net loss of eight for this county.

Every voter in South Carolina, who
has voted in the Democratic conven-
tions or primaries held this year, is
honor bound to support the party
nominees, National, State and Coun-
ty. It matters not what may have
been his choice up to the time of the
conventions or primaries.

Can anybody tell us where our
Anti-Nancy has gone? A searching
party is now preparing to "go up
Salt River" to enquire the where-
abouts of "that thousand" who it
was claimed would flock to the Shep-
pard in Chesterfield.

Court convened Tuesday, Judge I.
D. Witherspoon presiding. Solicitor
Johnson, Stenographer, Covington
and the other Court officials were on
hand promptly. Only three small
cases had been tried up to last night
—all proceedings next week.

Mr. Jno. F. White an aged and
highly respected citizen and old sol-
dier of the Zouave section died at his
home last Friday after a lingering ill-
ness. He was buried at Zouave Church
last Sunday with military honors, a
guard of the Chesterfield Rifles partici-
pating.

The County Democratic Executive
Committee met Thursday morning in
the Court House for the purpose of
footing up the totals in the primary,
declaring elected such candidates as
received a majority, and of announc-
ing those who would be in the second
race. The count lasted from 11 a. m.
until 4 p. m. and was witnessed by a
large crowd of interested spectators.
No protests or contests as to any of
the boxes were filed.

Hough and Taylor were nominated
on the first ballot in '90 and so they
were this year receiving 231 and 330
more votes respectively than they did
in the last campaign. Turner also
made a gain of 176 over his last vote,
but was again left to look after that
business before he could make his com-
plaint.

In the election of 1891-92 from
the ending August 1st to the ending
of 1891, was 8,652, 597 last
year and 7,211,872 year before last.

The members were "such last fellows
no preacher would pray for them."
It has always been our belief that the
special mission of preachers was to
"pray for bad fellows." That the
souls of bad people were just as
precious as the best. That there was
hope for the vilest sinner as long as
the lamp held out to him or the
preachers stuck to their texts.

A CARD OF THANKS.

Mr. Editor—I desire to make
known to the good people of Chester-
field County through the columns of
your paper, my grateful apprecia-
tion of their kindness to me in their
homes, while on the canvass. Their
latchstrings were on the outside,
where ever I called, I highly appreci-
ated their kind hospitality, may
God bless the good people in baskets
and store.

PETER M. QUINN.

Stallord's 2341.

Died at her home near this place on
the 28th of August Mrs. Christian
Turnage, suddenly from heart trouble.
She was a consistent member of
Macedonia Church for 32 years, she
was a good wife and an affectionate
mother. Alas on earth we will shake
no more that good old sisters hand
for one has gone to the golden shore
and rest in the spirit land.

A CARD.

The report has gone out that be-
cause I did not go round with the
candidates on the campaign, that I
am an Anti. I wish to say that the
report is utterly false, and that I
stand where I did two years ago with
the Farmers' movement and for
Tillman first, last and all the time.
J. Arnold Sellers.

IT WAS THE NEW COUNTY BILL.

Mr. Editor: I see in your last issue
your correspondent at Blakeney's X
roads makes me say that the salaries
of the County Commissioners would
be bank-rupt the County. I said the
salaries of the Commissioners would
be onerous if the proposed County
Government bill became a law under
which we would have nine rural Com-
missioners and three Poor Commis-
sioners making twelve. I didn't refer
to or reflect on the present system
or the present board by any word or
insinuation. The correspondents
statement looks as if I reflected on
the present board, such was not the
case.
W. F. Stevenson.

CONGRESSIONAL ELECTION.

The returns from the Congressional
election in this State show that Braw-
ley is re-elected in the First District,
G. D. Tillman and W. J. Talbot will
run over in the Second, Johnston is
elected by a large majority in the Third,
Shall is re-elected in the Fourth, Hamp-
hill by Strait in the Fifth, McLaugh-
lin beats Smith in the Sixth, and
Moise is the nominee in the Seventh.

The delegation will probably stand
five Alliance Reformers to two, Anti-
—a gain of three for the Alliance.

In the Fifth District the majorities
range as follows—Chesterfield Strait
294, Chester, Hempill 275, York
Strait 70, Spartaunburg, Hempill 60
Lancaster, Strait 672, Kershaw,
Hempill 518, Union, Strait 242,
Strait's majority in District 429.

COMMISSIONERS MEETING.

The following checks were drawn by
the County Commissioners last Mon-
day.
J. F. Hunly, poor, \$79.66, J. A.
Armstrong constable, 7.40, M. W.
Porter Pub. Balder, 37.00, M. K.
Sellers 2.00, David Vaughn, poor, 4.00
J. T. Mehan, poor, 3.00, S. F. Morris,
poor, 3.00, W. C. Funderburk, poor,
3.00.

The contract for the repair of the bridge
over Thompson's Creek on the Chester
road was awarded to C. W. Teal at
\$87.00. It was decided to allow
Bella Melton and Wm. Joiner one
dollar per month from the poor fund,
bonds of the County officers were ex-
amined and all deemed sufficient.
Board issued warrant to the Auditor
to levy taxes for present fiscal year,
5 mills ordinary, 2 mills new jail and
4 of one mill interest on R. R. bonds.

A CARD.

EDITOR ADVERTISER—Allow me
space to correct a false report that
has been circulated to injure me, viz
that I charged up to the county \$100
for work done on the bridge at Craig's
mill. As the books will show I have
not charged up one cent, and had I
done so it would have been as follows
A. B. Tarlton 5 days at 1.25—6.25,
Thomas Horn 5 days 6.25, Thos.
Sellers 3 days at 75—2.25, twenty
pounds nails 60, irons 1.25 and my
own time for five days, all of which I
paid in cash.

ROBERT TUCKER.

I certify that sixty-one dollars and
ten cents is the entire amount paid
to Mr. Robert Tucker during the year
1891 by the county of Chesterfield as
County Commissioner.

D. M. BARENTINE,
Auditor,
Chesterfield County.

MEETING AT EBENEZER.

We closed a very successful meet-
ing at this church last week, result-
ing in 23 conversions and declama-
tions, and an additional \$100 to the
treasury. The meeting was held
was done by Rev. J. J. Stevenson the
junior preacher on the Fort Mill cir-
cuit. He is certainly a young preach-
er of promise and the power of God
rests on him. 48 members have been
added to the roll this year and we
believe the four churches are on
higher ground, a Sunday School at
each church and prayer meeting at
three. We trust that the collections
will show that we appreciate our re-
sponsibilities and our opportunities,
there are many active workers among
the lay members, and our local
preacher Brother J. A. Lowry ren-
dered faithful and efficient service.
May the Lord bless them all, and re-
ward them "according as their works
shall be." It is a pleasure to serve a
kind hearted people, and we have re-
ceived many tokens of goodwill and
love from their hands. To God be
all the glory. May we learn to Love
Him more and serve Him better.
