### RUBY.

(Edited by H. C. Allen)

We were not bothered by dusty roads coming home from the Chesterfield campaign meeting Friday.

This week is the most serious time with the candidates. Neither of them know who is the lucky man.

We are glad to announce that most of our fever patients are convalescing.

Cotton is opening rapidly in this section and some have commenced picking.

We are glad to say the corn crops are fine.

Mr. O. A. Edgeworth has opened up a nice line of general merchandise and Messrs. W. A. Rivers & Co. will soon have their new store house completed.

We were very sorry to learn of the serious accident of our young friend, Mr. Johnnie Huntley, who got his arm caught in a belt while at work in the spoke and handle factory in Cheraw some days since, but we hope for him a speedy recovery.

Mr. J. C. Huntley, of this place, has been visiting friends and relatives in North Carolina the past week.

Mr. D. H. McGregor will soon be ready to go to making brick again.

Mr. D. A. Batten and family are visiting relatives and friends in North Carolina.

Mr. D. B. Batten of Wadeville, N. C. is visiting his sons, Messrs. W. J. and J. C. Batten of this place.

We hear lots of complaint among our people who have 'phones. We would be glad to see some step taken to improve the system.

### ROBESON.

Late visitors to this place were: Mrs. William Melton of Cheraw, Mrs. M. A. Sowell and daughter, Clyde, of Monroe, Mr. Frank Garland, of Lancaster.

Glad to report everybody well and happy.

This is the time for the yearly protracted meetings and they have continued daily since July at the different churches around this place and two are in progress now.

There are eight white and two colored churches in a radius of five miles and if Robeson is booming it is a spiritual boom which is the best of booms.

The Rose Hill meeting closed last Friday with 21 conversions. Rev. Benson King assisted and did faithful and efficient work.

The Mt. Moriah meeting closed the Friday before the Rose Hill meeting. Rev. Mr. Cullum assisted Rev. J. L. Bennett. They had a fine meeting. Three were baptized and many reclaimed and the membership greatly revived.

Have not space to tell of the others but it is enough to say if the Presbyterians made but little fuss they are slow but sure of the work they do. The colored people also report many conversions.

Born to Mr. and Mrs. B. F. Evans a son. Mr. Evans is having a well dug at Providence church in honor of the same.

The crop prospect has been cut short by the continued rains but all will try to be content and thankful for what is made.

Success to The Advertiser. M. M.

### Macedonia News Notes.

(Written for last week.)

The hail storm did much damage in this section last Monday.

The protracted meetings are rushing the people of this community this week. Rev. Mr. Austin is assisting Rev. D. A. Snyder at Mt. Pleasant this week.

Miss Mary Parker, of Anson county, visited here recently.

Mr. Willie Medlin, of Mint Hill, is spending this week with his friend, Mr. Arthur Funderburk.

Miss Mabel Horn, of Wadesboro, N. C., is visiting her people, near Union.

Misses Bert and Lola Hasty, of Charlotte, spent last week with their aunt, Mrs. S. E. Belk, of Beulah.

Mr. Riley Evans and charming little sisters, Misses Edna and Odessa, are expected to be here next Saturday night.

Misses Effie Laney and Eula Funderburk, both of this place, will leave Monday to enter school at Wingate, also Mr. Vann Funderburk.

Prof. H. C. Key will begin a singing school at Rock Rest next Monday.

Mrs. W. E. Thomas, who has been suffering for some time with that terrible scorching disease, typhoid fever, is able to be up again.

Mr. Lewis Deese fell dead in the yard at Mt. Pleasant church in Buford township last Wednesday while eating dinner. He leaves a wife and several small children to mourn his death. We sympathize with the bereaved relatives and pray God's richest blessings to ever rest upon them.

Miss Cartie Green, daughter of Mr. and Mrs. A. E. Green, died at home in Lane's Creek township the 3rd inst., of typhoid fever. She had been sick about three weeks. Carrie was 17 years old, just in the bloom of life. She was a bright and beautiful young lady and loved by all who knew her. For many years she had been an earnest worker and a faithful member of the Baptist church. Her song and prayer will ever be remembered. She has gone to her home on high where there is no more pain nor death. The remains were laid to rest in the Beulah cemetery. We sympathize with those who are left to mourn her death. LILLIAN.

There is a beauty in the young dawn of love, when in life's morning, two that were just now children are walking with intertwined embrace; there is a deeper beauty in the hallowed evidences of affection which light up the home of wedded life, where the man and woman of riper years have seen days of joy and grief; but there is a golden sunset beauty, almost like the pure light of heaven that lingers around the path of aged pair, clinging fondly to one another when the journey of life is almost over.

## The Bear is Caught.

- Shoes - Shoes - Shoes -

THE RACKET STORE now has a large stock of shoes. We have a good many odd sizes—a few pair ladies No 3 for 90c, well worth \$1.50; few pairs No. 7 for \$1.10, worth \$1.50. We have about one thousand pairs odds and ends which we propose to sell cheaper than any house in town. We have a much larger stock of shoes than any of our competitors and therefore we are in a position to serve you better than any house in town. We buy our goods close and can sell them for less than some of our competitors and then make a small profit. We cannot afford to sell at cost but will add a small profit and then you will get them cheaper than you will elsewhere.

I WILL PROMISE YOU THIS: I will sell you shoes cheaper than any house in Chesterfield if I have to give them to you. Who ever heard of the Racket Store letting anyone undersell it? When the time comes that I can't beat anything in the county, I will pull out and quit the biz. Here go the prices:

Men's Brogans from 65c to \$1 25. Men's Fine Shoes from 95c to \$4.00. Ladies' Shoes, 55c, 95c, 1.25 to 2.75. HOSIERY—We carry the best, Men's Gray Hose 5 to 10 cents; Men's Fancy Hose, 6 pairs for 25c; Some that look like silk at 50c; Ladies' Hose, 5c, 10c, 25c to 50c, the prettiest you ever saw.

The Racket Store.
