Miss Elisabeth Marbury was talking at the Colony club in New York about a beautiful actress who had been obliged to divorce her actor husband after three months of wedlock on account of his shocking infidelity. "The poor girl thought," said Miss Marbury, "that she was marrying a man who would be constant in love, but he turned out to be constantly in love."

AVERY Chilled Plows

Avery Repairs Are Guaranteed to Fit

AVERY repairs sold by us are always a genuine—because their design is protected by patents—and are GUARANTEED to fit perfectly any Avery Chilled Plow of same number that ever was or ever will be built. Avery is saving farmers thousands of dollars annually lost through ill-fitting plow repair parts that work loose and break. Avery bolts and bolt holes are perfectly round and are unequalled for close and accurate fit. Bolts are also extra large. That is why Avery repairs do not work loose and seldom break. The Avery "lock that locks"—found only on the Avery—holds the plowshare in place no matter how long used, and relieves the strain on bolts. Avery Chilled Plows are built in the most complete and scientific plow plant in the world. Avery plows have been leaders since B. F. Avery designed the first Avery in 1825. Call on us for the complete story of Avery Chilled Plows.

There is a full line of famous Avery walking, riding and tractor plows, tillage implements and Champion harvesting and hay machines

IN MEMORY OF GERTRUDE SMITH

Our Heavenly Father looked down from the skies
In search for a flower full of light.
He found His choice in our darling of love,
Our Gertrude, so loving and bright.

She left this sad earth with a smile on her face.
In flight for the mansion above,
Where there's no sorrow nor pain nor fear
But joy with the Father of Love.

God works in a wondrous, mysterious way
His blessings on us to bestow,

And why should He choose just this one from the nine,
Is a question that we do not know.

She was light in her church;
She was love in her home;
She was known by her smiling face.

God called her home from this world at seven;
She had already run her race.
—HER SISTER.
