**DR. HOOFLAND'S CELEBRATED GERMAN BITTERS,**

PREPARED BY **DR. C. M. JACKSON,**  
AT THE GERMAN MEDICINE STORE,  
129 Arch Street, Philadelphia.

Their power over the above diseases is not excelled, if equaled, by any other preparation in the United States as the cures attest, in many cases after skillful physicians had failed.

These Bitters are worthy the attention of invalids. Possessing great virtues in the rectification of diseases of the Liver and biliary glands, exercising the most searching powers in weakness and affections of the digestive organs, they are, without fail, safe, certain and pleasant.

READ AND BE CONVINCED.

Chas. Robinson, Esq., Easton, Md., in a letter to Dr. Jackson, Jan. 2, 1851, said—

"My wife and myself have received more benefit from your medicine than any other we have ever taken for the Dyspepsia and Liver disease."

"The 'Teutic Legion,' published at Woodstock, Va., Jan. 10, 1851, said—

"A GREAT MEDICINE"

"We have uniformly refrained from recommending to the public any of the various Patent Medicines of the day, unless they are thoroughly convinced of their value. Among those we consider worthy of notice is the German Bitter, invented by Dr. Hoofland, and prepared by Dr. Jackson, in Philadelphia. One instance in particular, in which the superior virtues of this medicine have been tested, falls under our observation. During the last summer, a son of Mr. Abraham Brill, of this country, was very seriously afflicted with Liver Complaint, and after trying in vain various remedies he was furnished with a bottle of Bitters and after using it, he was much relieved of his distressing malady that he procured another bottle, and is restored entirely to health.

READ FURTHER A FEW FACTS.

The Philadelphia Democrat, the leading German journal of Philadelphia, The editor said, Nov. 24th—

"We again call attention to the removal of the German Medicine store, the principal depot for the sale of Dr. Hoofland's German Bitters, from 278 Race to 129 Arch street, one door below Sixth. Owing to the increased demand for this medicine, and for the accommodation of his numerous patients, Dr. Jackson has been compelled to remove his larger store. We wish him every success in his new quarters; he is deserving of it. The Bitters Mixture is without doubt the greatest medicine extant for diseases of the Liver and Biliary Glands. A stubborn case of Chronic Diarrhoea has come under our notice, wherein the patient had exhausted the Materia Medica of the different schools of medicine with no apparent benefit. He was induced to use these Bitters, and a few bottles of them have entirely cured him. Many cases we could refer to. We hope our readers will recollect this great restorative, should they be so unfortunate as to require its use. Dr. Jackson possesses the original unpublished receipt of Dr. Hoofland, and he prepares this medicine with this care. Those purchasing should call at his store, or see that his name is written upon the wrapper outside, and blown in the bottle, as imitations of all good articles are common."

Judge M. M. Noah, a gentleman with great scientific and literary attainments, said in his 'New York Weekly Messenger,' Jan. 18, 1850, said—

"DR. HOOFLAND'S GERMAN BITTERS.—Here is a preparation which the leading presses in the Union appear to be unanimous in recommending, and the reason is obvious. It is made after a prescription furnished by one of the most celebrated physicians of modern times, the late Dr. Christian Wilhelm Hoofland, Professor to the University of Jena. Private Physician to the King of Prussia, and one of the greatest medical writers Germany has ever produced. He was emphatically the enemy of humbug, and therefore a medicine of which he was the inventor and endorser may be confidently relied on. He especially recommended it in liver complaint, dyspepsia, debility, vertigo, acidity of the stomach, constipation, and all complaints arising from a disordered condition of the stomach, the liver and the intestines. Nine Philadelphia papers express their convictions of its excellence, and their own individual experience. Under these circumstances we feel warranted not only in calling the attention of our readers to the present proprietor's (Dr. C. M. Jackson's) preparation, but in recommending the article to all afflicted."

MORE EVIDENCE.

The Philadelphia Saturday Gazette, the best family newspaper published in the United States, the editor says of DR. HOOFLAND'S GERMAN BITTERS.

"It is seldom that we recommend what are termed Patent Medicines to the confidence and patronage of our readers, and therefore, when we recommend Dr. Hoofland's German Bitters, we wish it to be distinctly understood that we are not speaking of the mere name of the medicine, but of its merits and the results it has produced. We have seen it administered to many patients, and they have done their duty in its favor, and we have seen it administered, universally prized, and which has met the hearty approval of the Faculty itself."

Evidence upon evidence has been received (like the foregoing) from all sections of the Union, the last three years, and the strongest testimony in its favor is, that there is more of its use in the practice of the regular Physicians of Philadelphia than all other systems combined, a fact that can easily be established, and fully proving that a scientific preparation will not sit without their quiet approval upon their consciences.

"That this medicine will cure liver complaint and dyspepsia, no one can doubt, after using it as directed. It acts especially upon the stomach and liver—it is preferable to calomel in all bilious diseases—the effect is immediate.—They can be a luncheon to female or infant with safety and reliable benefit, at any time."

BEWARE OF COUNTERFEITS.

This medicine has attained that high character which is necessary for all medicines to obtain to induce counterfeits to put forth a spurious article at the risk of the lives of those who are innocently deceived.

LOOK WELL TO THE MARKS OF THE GENUINE.

They have the written signature of C. M. JACKSON upon the wrapper, and the name blown in the bottle, without which they are spurious.

**DR. ROGERS' COMPOUND SYRUP OF LIVERWORT AN TAR,**

For the cure of Consumption and all Diseases of the Lungs and Breast.

FROM DR. HIRAM COX.

Late Professor in Cincinnati Eclectic Medical College

Mr. A. L. Scovill: However reluctant I have been to permit my name to be attached to patent medicine, I consider it a duty to the community to state that in three cases of incipient consumption, viz: Miss Bell, Miss Barger, and Mr. R. H. Cox, one of our City Council, that Dr. Rogers' Liverwort and Tar operated more like a specific than like any other remedy, that I ever used. One of the cases, viz: Miss Bell, pronounced by several Physicians to be laboring under the last stage of Scrophulous Consumption. She is now in good health, from the use of a few bottles of the above syrup.

HIRAM COX, M. D. Cincinnati, Jan. 25, 1847.

FROM THE HON. JUDGE HENRY MORSE

Mr. A. Scovill: "I am well acquainted with Dr. Hiram Cox and his practice, he having been my physician for many years, and can cheerfully say that I have as much confidence in his skill as any man living."

HENRY MORSE. Cincinnati, Nov. 8th, 1847.

**Despair not though your Physicians and Friends give you up to die!!!**

Your condition cannot be more helpless than that of Mrs. Rowe.

This is to certify that I was taken with a pain in my side and breast, attended with a distressing cough, and for the space of one year grew rapidly worse. Although I had in attendance three physicians, one of whom was considered very skillful, all of their efforts proved alike unavailing. At last one of the physicians came in, and decided that I could not live more than one day longer! All of my friends believed that a few days at most would end my earthly career.

My brother at this crisis, hearing of the astonishing cures made by Dr. Rogers' Liverwort and Tar, went to Chillicothe, distant thirty miles, to procure the above medicine; and, strange to tell, before I had used half a bottle my cough was entirely cured, and when I had used two bottles I was able to attend to my family vocations as usual.

HARRIET ROWE.

**Mr. Merriweather writes as Follows:**

Mr. A. L. Scovill, Dear Sir—Dr. Rogers' Liverwort and Tar came safe to hand. I have sold a number of bottles. I have met with great success. A young man of this place, supposed to have the consumption, has been entirely cured.

D. MERRIWEATHER, Denmark, Tenn., June 30, 1845.

The following certificate from one of the most distinguished physicians in Cincinnati, is entitled to great credit; I feel constrained from a sense of duty to make the following statement, conscious that it may appear professional. Mr. Charles Wade, of this city, was quite low with Pulmonary Consumption, for which I had been treating with less than usual success. At his request, and that of his friends, I permitted him to try Dr. Rogers' Liverwort and Tar; and I must confess that the benefits were really surprising. After using the second bottle my visits were discontinued, and he was soon restored to health. I do conscientiously recommend my brother practitioners to prescribe this remedy in all pulmonary complaints which baffle the ordinary mode of treatment.

WILLIAM J. REHARDS, M. D. Cincinnati, Oct. 1st, 1844.

Extract from a letter dated Jackson, Tenn. Oct. 25, 1848.

Mr. A. L. Scovill, Cincinnati:

Dear Sir—I want you to send me one gross of Dr. Rogers' Liverwort and Tar. I am entirely out of it, and have constant calls for it. The remarkable cures that it has made here, has made a great demand for it.

Yours, &c., K. W. HITTINGTON, Druggist.

**A RESCUE TO THE AFFLICTED.**

THE CELEBRATED

**JEW DAVID'S HEBREW PLASTER.**

A certain remedy for all fixed pains in the Side, Chest, Lungs, Back, Bowels, Muscles, Rheumatism in all its various forms, Nervous Affections, Lung and Liver Complaints, Spinal Affections, Female Weaknesses, &c. etc. For the above complaints this plaster has no equal.—The great celebrity which it has already acquired, not only in the old, but in the new world—the extraordinary cures it has performed in the most extreme cases of suffering, have acquired for it such a reputation, that the proprietor has not—nor can it be recalled—been able to supply half the demand.

The sale throughout every city, town and village in the United States, are so rapid, that when the vast amount of human suffering relieved by its use is considered. In spinal diseases, the benefit usually is of the most decided character. In Nervous Complaints, nineteen cases out of twenty readily yield to the penetrating stimulus combined in this valuable preparation.

In Rheumatism, either acute or chronic, the claims of the Hebrew Plaster have long since been universally acknowledged. Those who are laboring under weak backs, no matter from what cause the weakness may have originated—even if such persons have been misguided in previous applications—in the use of the Hebrew Plaster they will find the affected part suddenly restored to its original soundness.

As a supporter in cases of constitutional weakness it will be found of great advantage. It is particularly recommended to females who are suffering from colds, weakness, or general debility. In short, it cures every ailment of which the most sensitive mind was capable of contemplating from valuable substances found in the old world and will be found entirely free from those objections which are a source of complaint with the numerous prepsiders now before the public.

Where this Plaster is applied, pain cannot exist.

These Plasters possess the advantage of being put up in airtight boxes, hence they retain their full virtues in all climates. We have just received the following testimonial from C. C. Sellers, an eminent lawyer in successful practice in Wilcox county, Alabama. He is a gentleman in high standing, and one whose influence has great weight.

Camden, Ala., Nov. 21, 1848.

Messrs. Scovill & Mead: Gentlemen—Having been requested to state what has been the result of my experience by the use of your Hebrew Plaster, I cheerfully comply, by saying that I have found it to be as heretofore recommended, an invaluable medicine. In different cases of my family I have applied the Plaster to rheumatic sores, tumors, and pains, and it has never failed to afford instant relief. I have also used it with good effect upon my own person, in the cure of ulcers, with which I have been severely afflicted.

Respectfully, etc.

C. C. SELLERS.

**Mothers. Read This Attentively. DR. KEELER'S CORDIAL AND CARMINATIVE.**

For the speedy and permanent cure of Diarrhoea, Dysentery, Cholera, Infantum, Cholera Morbus, Cholice, Summer Complaints, Flatulency Pains in the Stomach, &c. and from all derangement of stomach and bowels from Teething.

"The time has again arrived when diseases of the stomach and bowels carries its thousands to a premature grave. Is there no remedy to stay the march of death? We answer, YES—the Cordial will cure, and prevent nine-tenths of all cases of disease affecting these organs. More than five thousand cases of disease were cured by it during the past year. All families consulting the welfare of their children and selves, will act wisely to have this article by them. In all cases of failure the money will cheerfully be returned, and to those who are unable to purchase, it will be cheerfully bestowed."

W. L. KELLEY, AND HAS CURED THE WORST FORMS OF DYSPEPSIA OF THE STOMACH AND BOWELS READ THE FOLLOWING EVIDENCES:

From the Spirit of the Times.

Dr. Keeler's Cordial and Carminative, is certainly a valuable desideratum in every family, to the young and to adult, but particularly where there are children. We speak advisedly, because we have thoroughly tried it, and proved its healing and efficacious properties in our family. We would most cordially recommend the public to give it a fair trial, which is only wanting to appreciate its value.

From the North American and United States Gazette, Sept. 4th 1847.

In these days, abounding in fruit, it behoves every one to be prepared with a remedy for the evil effects which it sometimes produces—we have been told by those that knew and who have tried it—that Keeler's Cordial is an article which has been used in some of the severest cases of Summer Complaint, both in infants and grown persons. The Cordial can be procured at the corner of Third and South Streets.

From Neal's Saturday Gazette August 28th 1847.

Dr. Keeler's Cordial—We would call the attention of our readers to this invaluable medicine, which we will find advertised at length in our columns. As a corrective in cases of Diarrhoea, a disease very prevalent at the present time, it is highly spoken of by all who have used it—it is perfectly safe in its nature, and we speak experimentally, when we say that it affords immediate relief.

From the Pennsylvania Inquirer, Sept. 1st, 1847.

Dr. Keeler's Cordial and Carminative.—This article is advertised in another part of our paper, it is warmly recommended by families who have tried it. It is especially useful among children, and has effected hundreds of cures. The doctor is abundantly supplied with testimony upon the subject, some of which we will quote. The Cordial is not a quack nostrum, but a carefully prepared medicine, and perfectly free from any thing injurious.

From the Daily Pennsylvania, Sept. 16th 1847.

We are constrained to say that the "Carminative" of Dr. Keeler's now extensively used in this city, is rapidly making its way to public favor, its ingredients are of course unknown, but it is mild in its operation, pleasant to the taste, and a remedy quite as good as any now used for the same complaints.

From the Daily News, July 15th, 1850.

Summer Complaint.—The season when this complaint exists is now here. If persons having it in their families would only purchase a bottle of Dr. Keeler's Carminative Cordial, they would save much expense and trouble. The peak of the virtues of this medicine known to us.

From the Spirit of the Times, Kutawton, July 18, 1848.

We wish to direct the attention of the readers of this paper to Dr. Keeler's cordial and Carminative, advertised in another column. It is a medicine highly esteemed by everyone that has used it in Diarrhoea, Dysentery, Cholera infantum, &c., which at this season is so frequent. It is a perfectly innocent medicine and gives immediate relief.

Prepared and sold 291 Market street Philadelphia—where may also be had Dr. Keeler's Cough Syrup, Vermifuge Syrup, Rheumatic Liver and Sanative Pills, Medicines of unsurpassed efficacy. Also Dr. Keeler's SARSAPARILLA, a celebrated remedy in all Scrophula and Constitutional Disorders. It is, without doubt, the cheapest and best remedy for Chronic Disease of the Chest, Strach, Liver, and skin known—and admirably adapted for all derangements arising from impurities of the blood. Females suffering from the Loss of Appetite, Nervous Debility, Irregularities, Pains, Pimoles, Blisters, Sallow Complexion, Constivence, &c. Will find the SARSAPARILLA decidedly the best remedy in use for their removal. No one should be without Dr. Keeler's Family Medicines, so beneficial in many diseases. Price \$1 per bottle—6 bottles for \$5.

For sale by Z. J. DeHAY, Camden S. C., and by Druggists and Stores throughout the country. Price 25 cents per bottle—see circulars &c., in the hands of the agents.

**FOR PURIFYING THE BLOOD, AND FOR THE CURE OF**

**For the Removal and Permanent Cure of all Diseases arising from an Impure state of the Blood or habit of the System, viz:**

Scrophula or King's Evil, Rheumatism, Obstinate Cutaneous Eruptions, Chronic Sore Eyes, Ring Worm or Pterea, Scald Head, Enlargement and Pain of the Bones and Joints, Stomach Ulcers, Syphilitic Symptoms, Sciatica or Lumbago, and Diseases arising from an Indiscreet use of Mercury, Acidities or Dropsy, Exposure or Imprudence in Life; also, Chronic Constitutional Disorders, &c.

The value of this preparation is now widely known, and every day the field of its usefulness is extending. It is approved and highly recommended by Physicians, and is admitted to be the most powerful and searching preparation from the root that has ever been employed in medical practice. The unfortunate victim of hereditary disease, with swollen glands, contracted sinews and bones hollowed out, and diseased with ulcers, loathsome to himself and his attendants, has been made whole. Hundreds of persons, who had groined hopelessly for years, under cutaneous and glandular disorders, rheumatism, and many other complaints springing from a derangement of the secretory organs and the circulation, have been raised as it were from the rack of disease, and now, with regenerated constitutions, gladly testify to the efficacy of this inestimable preparation.

The following certificate from col. Samuel G. Taylor, a gentleman of high standing and extensive acquaintance through the southern states, and lately appointed consul to New Grenada, commends itself to the attention of all.

New York, January 7, 1848.

Messrs. A. B. & D. Sands—Obed I have used your valuable preparation of Sarsaparilla on different parts of the southern country, viz—Virginia, Louisiana, Texas and Mexico, I feel much pleasure in stating the high opinion entertained of its medicinal value. In my own case, it acted almost like a charm, removing speedily the enervated state of the system, and exciting in the most agreeable manner, a tonic and invigorating influence.

Your Sarsaparilla is highly approved and extensively used by the army in Mexico, and my cousin, Gen. Zachary Taylor, has for the past five years been in the habit of using it, and recommends the same; he and myself adopted the article at the same time, and it is now considered an almost indispensable article in the army. In conclusion, I would say that the better it is known, the more highly it will be prized, and trust that its health restoring virtues will make it generally known throughout the length and breadth of our widely extended country. You are very respectfully,

S. G. TAYLOR, U. S. Consul to N. Granada

**REMARKABLE CURE OF BRONCHITIS.**

New York, Feb. 17, 1848.—Messrs Sands: Having suffered many years with a disease of my throat, affecting the larynx, during which time I was treated by the most eminent physicians in Europe and the United States, without receiving any permanent benefit, but all the time my general health and strength declining, and the disease making fearful progress; caustic applications were used, and what ever else was thought most efficient for producing a cure; but I am confident the deplorable situation I was in, the larynx being accompanied with phthisis and great difficulty in breathing, would soon have terminated my life, had I not obtained relief through your invaluable Sarsaparilla. I must say, gentlemen, when I commenced using the Sarsaparilla, I did not place much confidence in its virtues; and this will not surprise you when I inform you that I had tried more than fifty different remedies during the past four years without any success; but after taking your Sarsaparilla a few weeks, I was able to yield at last to evidence. This marvellous specific has not only relieved me, but cured me; and I therefore think it my duty gentlemen, for the benefit of suffering humanity, to give you this attestation of my cure. Yours very truly, D. PARENT, Consul of France in the U. States.

The above statement and signature were acknowledged in our presence by Mr. D. Parent, as true. For the Consul General, Vice-consul.

L. BORG, Vice-consul.

The following interesting case is presented, and the reader invited to its careful perusal—comment on such evidence is unnecessary.

New York, April 26, 1847.

Messrs Sands: Gentlemen—Having long been afflicted with general debility, weakness, loss of appetite, &c., receiving no benefit from the various remedies prescribed, I concluded, about three months since, to make use of your Sarsaparilla. I now have the pleasure of informing you that its effects have been attended with the happiest results in restoring my health, and I am induced to add my testimony to the many others you already possess, and those desiring further information, I personally give the particulars of my case, and the effects of this invaluable medicine, by calling on Messrs. Sands, New York.
