CHEERING NEWS FOR THE SICK.

Whiteville, N.C., July 10, 1848. Mr. Seth W. Fowler: Dear Sir, I find with pleasure I write you this certificate, stating my experience in the use of Dr. W. A. KENT'S Balsam of Wild Cherry. In November last I was taken with severe cough, my lungs were much affected, so much that it was with difficulty that I could breathe. It being of your Balsam, I procured and took part of one bottle, and to my utter astonishment, my lungs were freed, and I am now cured. I am happy to recommend this Balsam of Wild Cherry to the public as one of the best medicines for cough and colds I ever used.

None genuine unless signed L. BUTTS on the wrapper, and in Camden at McKAIN'S Drug Store, Wholesale by R. M. O'CONNOR & Co., Charleston, S. C., and by Druggists generally throughout the State.

WHY IS IT?

That so many die every year of Consumption, or some other disease of the lungs? Because they neglect its cure for years. In simple cold which might be easily cured, by the prompt use of Dr. W. A. KENT'S Balsam of Wild Cherry, they persevere in the use of other remedies, until the disease has become incurable. See Advertisement in another column.
