Poor Old Virginia .- We hear with great regret, that this respectable old matron, the mother of such a numerous offspring, is now lying at the point of death, under a severe attack of paralysis. It is stated that the first symptoms appeared some fifteen or eighteen months ago, and that there is little hope of her recovery, though the celebrated Doctor Ritchie has been sent for from Washington to attend her.—South. Press.

Miss Hutchinson's great-grandmother was one of a party who partook of the first pound of tea that ever came into Penrith. It was sent as a present and without direction how to use it. They boiled the whole at once in a kettle, and sat down to eat the leaves with but ter and salt. They wondered how any person could like such a dish.

Southey's Commonplace Book.

THE GREAT REMEDY. THE GREAT REMEDY.

For insipient consumption, we know of no better remedy than Wister's Babaan of Wild Cherry. It is soothing and leading in its nature, and is admirably adapted to allow and dissipate that annoying and distressing irritation which so much prevails at this season of the year, caused by colds, coughs, and chills, brought on by frequent and and len changes of the weather. We know of several severe cases which have been radically cured by the use of this Babaam. Some two years since a friend of ours was suffering under what was thought to be confirmed consumption a severe cough, loss of appetite, night sweats, &c. By the use of the Babaan he dispelled these alarming encroachments, and is now in the enjoyment of comparative good healths.

LOST VOICE RESTORED!

Mr. S. W. Fowle:—Having seen many certificates pub-ished in relation to Dr. WISTER'S BALSAM OF WILD CHERRY, I take the opertunity of offering a word in its favor, which you are also at lib-riy to publish. A few months since my wifes lungs became so much affected by a sudden cold, that she lost her voice, and suff-red severely from mine in the breast. Her situation caused her by a sudden cold, that she lost her voice, and suffered severely from pairs in the breast. Her situation caused her friends much alarm. Having heard your Bulsam strongly recommended by those who had used it. I purchased a bottle of your agent in this place. She took it according to directions, and it produced a wonderful effect. Before using one bottle she had completely recovered her voice, the pains subsided, and her health was soon fully restored. Yours truly,

We copy the following letter from Dr. W. J Richards, one of the most respectable physicians of Cincinnati:

Conscious that it may appear unprolessional for me to recommend a patent medicine, I feel constrained from a sense of duty to express my opin ion in regard to the virtues of Dr. Roger's Liverwort and Tar. What I say is from personal experiment and a positive assurance of its beneficial results.

The patient, Mr. Charles Wade, Sixth street market space, was quite low with the early stage of Pulmonary Consumption, for which I treated him in the usua' manner, but without my usual success. At the request of himself and friends. I examined the receipe of the above medicine, and being satisfied with its composition, I allowed the trial. And I am obliged to confess its effect wa at least surprising; insomuch that after the use of the second bottle, my professional visits were no longer necessary, and the patient was restored to

The profession I feel satisfied would, after a trial, coincide with me, in the adoption of the medicine in cases where the ordinary more of treat Respectfully, W. J RICHARDS, M. D. anent entirely fails.
