

CHRISTIE'S GALVANIC BELT

BRACELETS NECKLACE

MAGNETIC FLUID

For the Removal and Permanent Cure of all
NERVOUS DISEASES,
And of those Complaints which are caused by an impaired
or weakened or unhealthy condition of the
NERVOUS SYSTEM.

This beautiful and convenient application of the mysterious
power of GALVANISM and MAGNETISM, has been pro-
duced by distinguished physicians, both in Europe and the
United States, to be the most valuable medicinal discovery of
the age.

DR. CHRISTIE'S GALVANIC BELT
and
MAGNETIC FLUID,
is used with the most perfect and certain success in all
cases of

GENERAL DEBILITY,
Strengthening the weakened body, giving tone to the various
organs, and invigorating the entire system. Also in FITS,
CRAMP, PARALYSIS and LALSY, DYSPEPSIA or INDIGES-
TION, RHEUMATISM, GOUTE and CHRONIC GOUT, EPIL-
EPTIC, LUMBAGO, DEAFNESS, NEURALGIA, NEURASTHE-
NIA, PALPITATION OF THE HEART, POPELEY, NEURALGIA,
NEURALGIA IN THE SIDE and CHEST, LIVER
COMPLAINT, SPINAL COMPLAINT, and CURVATURE OF
THE SPINE, HYP COMPLAINT, DISEASES OF THE KID-
NEYS, DEFICIENCY OF NERVOUS and PHYSICAL EN-
ERGY, and all NERVOUS DISTASTES, which complaints arise
from one simple cause—namely

A Derangement of the Nervous System.

It is in NERVOUS COMPLAINTS, Drugs and Medicines
increase the disease, for they keep the vital energies of the
already prostrated system; while under the strengthening
life-giving, invigorating influence of Galvanism, as applied by
this beautiful and wonderful discovery, the exhausted patient
and weakened sufferer is restored to former health, strength,
elasticity and vigor.

The great peculiarity and excellence of
Dr. Christie's Galvanic Curatives,
consists in the fact that they arrest and cure disease by sub-
tle and delicate applications, in place of the usual mode of dragging
and physicating the patient, till Nature sinks hopelessly
under the infliction.

Their effect upon the whole system, equalizes the circulation of
the blood, prevents the accumulation, and never do the slightest injury
under any circumstances. Since their introduction in the
United States, only three years since, more than

60,000 Persons
including all ages, classes and conditions, among which was
a large number of ladies, who are peculiarly subject to Nervous
Complaints, have been

PERMANENTLY AND PERMANENTLY CURED,
when all hope of relief had been given up, and every thing
else had been tried in vain.

To illustrate the use of the GALVANIC BELT, suppose
the case of a person afflicted with some form of Nervous Disorder,
such as Epilepsy, or some form of Chronic or Nervous Disorder,
it is ordinary cases, stimulants are taken, which by their action on
the nerves and muscles of the stomach, afford temporary relief,
but which leave the patient in a lower state, and which the
faculties, after the action thus excited has ceased. Now compare
this with the effect resulting from the application of the
GALVANIC BELT. Take a Dyspeptic sufferer, even in the
more symptoms of an attack, he will be directed to wear the
body, using the Magnetic Fluid as directed. In a short
period the inoperable prostration will not on the positive
element of the Belts, the patient will be directed to wear the
which will pass over the stomach, and dance back again to
the positive, thus keeping up a continuous Galvanic current
throughout the system. Thus the most severe cases of
DYSPEPSIA and CHRONIC GOUT, and other forms of
NERVOUS DISTASTES, is OFTEN AMPLY SUFFICIENT TO ERADICATE THE
DISEASE OF YEARS.

CERTIFICATES AND TESTIMONIALS
Of the most Undoubted Character,
From all parts of the Country, can be given, sufficient to all
every column in this paper.

AN EXTRAORDINARY CASE,
which conclusively proves that
"Truth is stranger than Fiction."

**CURE OF
RHEUMATISM, BRONCHITIS AND DYSPEPSIA.**
Rev. Dr. Landis, a Clergyman
of New Jersey, who distinguishes attainments and exalted
reputation:

SIR, I was Jersey, July 12, 1848.

Dear Sir—Dear Sir—You will know me by what has been the result of my case, of the application of
THE GALVANIC BELT AND NECKLACE. My reply is as
follows:

For about twenty years I had been suffering from Dyspep-
sia. Every year the symptoms became worse, nor could I
obtain permanent relief from any course of medical treatment
whatever. About fourteen years since, in consequence of
frequent exposure to the weather in the discharge of my pas-
toral duties, I became subject to a severe Chronic Rheuma-
tism, which for years I was unable to describe. In the
autumn of 1847, in the winter of '48 and '49, in consequence
of preaching a great deal in my own and various other
churches in this region, I was attacked by the Bronchitis,
which soon became so severe that I was obliged to suspend
my pastoral labors. My nervous system was now
thoroughly prostrated, and as my Bronchitis became worse, so
also did my Dyspepsia and other ailments, until I was unable
to do more than to lie in bed, and to receive the most
of the medium of the Nervous System. In the whole pharmaco-
poeia there seemed to be no remedial agent which could
reach and recuperate my Nervous System; every thing that I
tried for the purpose had completely failed. At last I was
led by my friends to examine your inventions, and (though
with no very sanguine hopes of their efficacy,) I determined
to try the effect of the application of the GALVANIC BELT
AND NECKLACE, with the MAGNETIC FLUID. This was
in June, 1848. To my GREAT SURPRISE, in two days my
Dyspepsia had gone; in eight days I was enabled to resume
my pastoral labors; and in a single week I was able to perform
a SINGLE SERVICE ON ACCOUNT OF THE BRONCHITIS; and my
RHEUMATIC AFFECTION HAD ENTIRELY CEASED TO TROUBLE ME.
Such is the wonderful and happy result of the experiment.
I have recommended the BELT and FLUID to many who
have been likewise suffering from similar affections. They
have tried them, with HAPPY RESULTS. I BELIEVE, IN EVERY
CASE.

I am, dear Sir, very respectfully yours,
ROBERT W. LANDIS.

The Facilities, for intellectual abilities, moral
worth and professional acquirements, will compare
favorably with the most distinguished in our
country. The medical faculty constitutes an anomaly
in this or any other country—all of them are able
lecturers and the best of teachers.

Those who will contemplate our geographical
position, and the extent of our population, can have
no doubt as to the eligibility of our situation for an
enterprise of the kind. As to health, including
all seasons of the year, we deny that ANY OTHER
CITY HAS MORE.

A common error exists in the minds of many
students relative to the place of studying medicine;
those who intend practicing among the diseases of
the West and South should certainly educate
themselves at a school whose faculty are practical-
ly acquainted with those diseases.

That the public may be satisfied of the perman-
ency of this school, we feel it our duty to state,
that the Trustees and Faculty form a UNIT in action
which augurs well for its future success; and that
the peculiar internal organization which connects
them, cannot be interrupted.

dull pain in the head, deficiency of Perspiration,
yellowness of the skin and eyes, pain in the side,
back and limbs, sudden flushes of the Heart, burning in
the flesh, inactivity of evil and great depression of spirits,
CAN BE EFFECTUALLY CURED BY

DR. HOOFLAND'S
CELEBRATED GERMAN BITTERS,
PREPARED BY
DR. C. M. JACKSON,
AT THE GERMAN MEDICINE STORE,
120 Arch Street, Philadelphia.

Their power over the above diseases is not exceeded, if
equalled, by any other preparation in the United States
as the cures attest, in many cases after skillful physicians
had failed.

These Bitters are worthy the attention of invalids. Possessing
great virtues in the rectification of diseases of the
Liver and lesser glands, exercising the most searching
powers in weakness and affections of the digestive organs,
they are, withal, safe, certain and pleasant.

READ AND BE CONVINCED.
Chas. Robinson, Esq., Easton, Md., in a letter to Dr.
Jackson, Jan. 9, 1850, said—
"My wife and myself have received more benefit from
your medicine than any other we have ever taken for the
Dyspepsia and Liver disease."
"The 'Teach' region," published at Woodstock, Va.,
Jan. 10, 1850, said—

"A GREAT MEDICINE"
"We have uniformly refrained from recommending to
the public any of the various Patent Medicines of the day,
sincerely convinced of their value. Among these
we consider worthy of notice is the German Bitters, invented
by Dr. Hooffland, and prepared by Dr. Jackson, in Phila-
delphia. One instance in particular, in which the above
remedy has been used, is before me. A gentleman, a son of
Mr. Abraham Brabill, of this city, was very seriously
afflicted with Liver Complaint, and after trying in vain
various remedies, he purchased a bottle of the Bitters, and
after using it, was so much relieved of his distressing malady
that he procured another bottle, and is restored entire-
ly to health."

READ FURTHER A FEW FACTS.
The "Philadelphia Democrat," the leading German journal
of Philadelphia, The editor said, Nov. 24th, 1850—
"We again call attention to the removal of the German
Medicine Store, its principal depot for the sale of Dr. Hoof-
land's German Bitters, from 278 Race to 120 Arch street,
one door below Sixth. Owing to the increased demand
for this medicine, and for the accommodation of his nume-
rous patients, Dr. Jackson has been compelled to occupy a
larger store. We wish him success in his new quarters;
he is deserving of it. The Bitters, without doubt, is the
greatest medicine for the cure of diseases of the Liver and
Kidneys. A stubborn case of Chronic Diarrhea has come
under our notice, wherein the patient had exhausted the
Materia Medica of the different schools of medicine with
no apparent benefit. He was induced to use these bitters,
and a few bottles of them have entirely cured him. Many
such cases, we could refer to. We hope our readers will
recollect this great restorative, and be as comfortable
in its use, as we are in recommending it." "The Herald"
also published a receipt of Dr. Hooffland, and he prepares
this medicine with this care. Those purchasing should
call at his store, or see that his name is written upon the
wrapper outside, and blown in the bottle, as imitations of
all good articles are common."

Judge M. M. Noah, a gentleman with great scientific and
literary attainments, said in his "New York Weekly Mes-
senger," Jan. 6, 1850—
"Dr. HOOFLAND'S GERMAN BITTERS.—Here is a pre-
paration which the leading presses in the Union appear to
be unanimous in recommending, and the reasons are obvious.
It is made after a prescription furnished by one of the most
celebrated physicians of the day, Dr. C. M. JACKSON, Dr. Chris-
topher W. Hooffland, Professor to the University of
Prussia, Private Physician to the King of Prussia, and one of
the greatest medical writers Germany has ever produced.
He was emphatically the enemy of humbug, and therefore
a medicine of which he was the inventor and endorser may
be confidently relied on. He specially recommended it in
liver complaint, dyspepsia, debility, vertigo, acidity of the
stomach, constipation, and all complaints arising from a
disordered condition of the liver and the in-
testines. Nine Philadelphia papers express their conviction
of its excellence, and several of the editors speak of
its effects from their own individual experience. Under
these circumstances we feel warranted not only in calling
the attention of our readers to the present preparation (Dr.
C. M. JACKSON'S) preparation, but in recommending the ar-
ticle to all afflicted."

JEW DAVID'S
HEBREW PLASTER

A certain remedy for all fixed pains in the Side, Chest,
Loins, Back, Bowels, Rheumatism in all its
various forms, Nervous Affections, Lung and Liver Com-
plaints, Spinal Affections, Female Weaknesses, &c.
N. B.—The genuine article is signed, "A. J. REEDY & CO."
The great celebrity which this plaster has already ac-
quired, in the old, but in the new world—the extraordinary
cures it has performed in the most extreme cases of suffer-
ing, have acquired for it such a reputation, that the pro-
prio has not—until recently—been able to supply half
mediation.

The sales throughout every city, town and village in
the United States, are without a parallel.

A cure effected so surprising, when the vast amount of
human suffering relieved by its use is considered. In spinal
deformities, the benefit usually is of the most decided char-
acter. In Nervous Complaints, nineteen cases out of
twenty readily yield to the penetrating stimulus combined
in this valuable preparation.

In Rheumatism, either acute or chronic, the claims of
the Hebrew Plaster have long since been universally ac-
knowledged. Those who are laboring under weak backs,
no matter how much cause the weakness may have origi-
nated—even if such persons have been misguided in pre-
vious applications—in the use of the Hebrew Plaster they
will find the afflicted part suddenly restored to its origi-
nal soundness.

As a supporter in cases of constitutional weakness it will
be found of great advantage. It is particularly recom-
mended to females who are suffering from sudden weak-
ness, or general debility. In short, it embraces all the vir-
tues which the most scientific mind was capable of com-
pounding from valuable substances found in the old world
and will be found entirely free from those objections
which are a source of complaint with the numerous prepa-
rations now before the public.

Where this Plaster is applied, pain cannot exist.

These Plasters possess the advantage of being put up in
air-tight boxes, hence they retain their full virtues in all
climates. We have just received the following testimonial
from C. C. Sellers, an eminent lawyer in successful
practice in Wilcox county, Alabama. He is a gentleman
of high standing, and one whose influence has great
weight:

Camden, Ala., Nov. 21, 1848.

Messrs. Scovil & Mead: Gentlemen—Having been re-
quested to state what has been the result of my experience
by the use of your Hebrew Plaster, I cheerfully comply,
by saying that I have found it to be as heretofore recom-
mended, an invaluable medicine. In different cases of my
family I have applied the Plaster to chronic coughs, tumors,
and pains, and it has never failed to afford instant relief.
I have also used it with good effect upon my own person,
in the cure of ulcers, with which I have been severely
afflicted.

Respectfully, etc.

**DR. ROGERS' COMPOUND SYRUP OF
LIVERWORT AN TAR,**
For the cure of Consumption and all Diseases
of the Lungs and Breast.
FROM DR. HIRAM COX.
Late Professor in Cincinnati Eclectic Medical
College.

Mr. A. L. Scovill: However reluctant I have
been to permit my name to be attached to patent
medicine, I consider it a duty to the community to
state that in three cases of incipient consumption,
viz: Miss Bell, Miss Barger, and Mr. R. H. Cox,
one of our City Council, that Dr. Rogers' Liver-
wort and Tar operated more like a specific than
like any other remedy that I ever used. One of
the cases, viz: Miss Bell, pronounced by several
Physicians to be laboring under the last stage of
Scrophulous Consumption. She is now in good
health, from the use of a few bottles of the above
Syrup.

Cincinnati, Jan. 25, 1847.

FROM THE HON. JUDGE HENRY MORSE.

Mr. A. Scovill: I am well acquainted with Dr.
Hiram Cox and his practice, he having been my
physician for many years, and can cheerfully say
that I have as much confidence in his skill as any
man living. HENRY MORSE.
Cincinnati, Nov. 8th, 1847.

**Despair not though your Physicians and Friends
give you up to die!!!**

Your condition cannot be more helpless than
that of Mrs. Rowe.

This is to certify that I was taken with a pain in
my side and breast, attended with a distressing
cough, and for the space of one year grew rapidly
worse. Although I had in attendance three phy-
sicians, one of whom was considered very skillful,
all of their efforts proved alike unavailing. At
last one of the physicians came in, and decided that
I could not live more than one day longer! All
of my friends believed that a few days at most
would end my earthly career.

My brother at this crisis, hearing of the astonish-
ing cures made by Dr. Rodgers' Liverwort and
Tar, went to Chillicothe, distant thirty miles,
to procure the above medicine; and, strange to tell,
before I had used half a bottle my cough was en-
tirely cured, and when I had used two bottles I
was able to attend to my family vocations as usual.

HARRIET ROWE.

Mr. Merriweather writes as follows:
Mr. A. L. Scovill, Dear Sir—Dr. Rogers' Liver
wort and Tar came safe to hand. I have sold a
number of bottles. I have met with great success.
A young man of this place, supposed to have the
consumption, has been entirely cured.

the real cause is not suspected; and through im-
proper medicines and treatment their constitu-
tions are destroyed; and their constitutions are de-
stroyed, and they become miserably during life.

York, Boston, Baltimore and elsewhere know the

THAT IT WILL AND HAS CURED THE WORST
FORMS OF DISEASE OF THE STOMACH AND
BOWELS READ THE FOLLOWING EVIDENCES

From the Spirit of the Times.

Dr. Keeler's Cordial and Carminative, is certainly a
valuable desideratum in every family, to the young and
to adults, but particularly where there are children. We
speak freely, because we have thoroughly tried it, and
proved its healing and efficacious properties in our family.
We would most cordially recommend the public to give it
a fair trial, which is only wanting to appreciate its value.
From the North American and United States Gazette,
Sept. 4th 1847.

In these days, abounding in fruit, it befalls every one
to be prepared with a remedy for the evil effects which it
sometimes produces—we have been told by those that
knew and who have tried it—that Keeler's Cordial is an
article which has been used in some of the worst cases
of Summer Complaint, both in infants and grown persons.
The Cordial can be procured at the corner of Third and
South Streets.

From Neal's Saturday Gazette August 28th 1847.

Dr. Keeler's Cordial.—We would call the attention of
our readers to this invaluable medicine, which will be
found advertised at length in our columns. As a corrective
in cases of Diarrhoea, a disease very prevalent at the present
time, it is highly spoken of by all who have used it.—
It is perfectly safe in its nature, and we speak experimen-
tally, when we say that it affords immediate relief.

From the Pennsylvania Inquirer, Sep. 1st 1847.

Dr. Keeler's Cordial and Carminative.—This article
is advertised in another part of our paper, it is warmly
commended by families who have tried it. It is especially
useful among children, and has effected hundreds of cures.
The doctor is abundantly supplied with testimony upon the
subject some of which is very strong. The Cordial is not
a quack nostrum, but a carefully prepared medicine, and
perfectly free from any thing injurious.

From the Daily Pennsylvania, Sept. 16th 1847.

We are constrained to say that the "Carminative" of Dr.
Keeler's now extensively used in this City, is rapidly
making its way to public favor. Its ingredients are a
course unknown, but it is mild in its operation, pleasant
the taste, and a remedy quite as good as any new used for
the same complaints.

From the Daily News, July 15th, 1850.

Summer Complaint.—The season when this complaint
exists is now here. If persons having it in their families
would only purchase a bottle of Dr. Keeler's Carminative
Cordial, they would save much expense and trouble. We
peak of the virtues of this medicine knowingly.
