From the Cincinnatti Commercial. Strange! That so many who are afflicted with a Cough that is gradually wearing them down, and slowly, but surely stealing them into that dreadful disease, Consumption-that disease which carries off thousands daily, are doing nothing, or what is worse than nothing, gorging themselves with nostrums, that are puffed to the skies for cures they are said to have effected on some foreign or unknown persons, when they can be positively cured by using Dr. Rogers's Compound Syrup of Liverwort and Tar, which still continues to effect the most worderful cures ever recorded in the annals of medicine. A fact which is proved by reference to the vast number of certificates which may be seen by calling on the agent. See advertisement in another column.
