has been found a certain remedy for colds, coughs, Pithi-sic, and Affections of the Langs in their primary stages. It destroys inflammation by perspiration. The following commendation is from an agent residing at Trenton, Tennessee: TRENTON, Gibson Co., Tenn., Nov. 7, '49. Messrs. Scovil & Mead-Gentlemen: The Hebrew Plaster is becoming popular in this section. There is a lady in this county who saysshe would not be without this Plaster for five hundred dollars a year. Ske was afflict-ed for some time with an enlargement of the spleen, which gave her a great deal of pain. The swelling and pain had extended up nearly to the armpit, and occasionally she could scarcely breathe. She was confined for a consid-erable time, during which she was tunded by some of our best physicians, but they gave her no relief. She pro cured a box of the Hebrew Plaster, and it relieved her almost immediately, and now she keeps a supply of it on hand constantly. These facts you are at liberty to use as you think proper-they are substantially true. Respectfully, yours, &c.. JESSE J. WELLS.
