The application of the Plaster between the shoulders has been found a certain remedy for colds, coughs, Phthisic, and Affections of the Lungs in their primary stages. It destroys inflammation by perspiration.

The following commendation is from an agent residing at Tenton, Tenuesce:

at Trenton, Tenne-see:
TRENTON, Gibson Co., Tenn., Nov. Messrs. Scovil & Mead—Gentiemen; The Hebrew Plaster is becoming popular in this section. There is a lady in the county who says she would not be without this Plaster for five lumified dollars a year. Ske was afflict-ed for some time with an enlargement of the spleen, which gave her a great deal of pain. The swelling and pain had extended up nearly to the armpit, and occasionally she could scarcely breathe. She was confined for a considerable time, during which she was attended by some of our best physicians, but they gave her no relief. She procured a box of the Hebrew Plaster, and it relieved her almost immediately, and now she keeps a supply of it or hand constantly. These facts you are at liberty to use as you think proper—they are substantially true.

Respectfully, yours, &c., JESSE J. WELLS. Beware of Counterfeits and Base Imitations!
