Messrs. Scovil & Mead—Gentlemen: The Hebrew Plaster is becoming popular in this section. There is a lady in the county who says she would not be without this Plaster for five hundred dollars a year. Ske was afflicted for some time with an enlargement of the spleen, which gave her a great deal of pain. The swelling and pain had extended up nearly to the armpit, and occasionally she could scarcely breathe. She was confined for a considerable time, during which she was attended by some of our best physicians, but they gave her no relief. She procured a box of the Hebrew Piaster, and it relieved her almost anmediately, and now she keeps a supply of it on cured a box of the Henrew Patser, and it reneved an almost immediately, and now she keeps a supply of it on hand constantly.
