**HOME TESTIMONY**

OF THE COLLETON BITTERS, "purely a vegetable compound, and which, from the confidence I have therein, I verily believe to be the most potent and most favorable medicine I ever used in my life. I entertain the most favorable opinion. Several of my personal friends and acquaintances, long afflicted with Dyspepsia, have assured me that they have found these Bitters better than any other medicine they ever tried for that distressing disease. And I take pleasure further to state that I have witnessed the excellency of these Bitters in Nausea, Sick Head Ache, and Bowel Complaints, in the latter, I have seen the Colleton repeatedly and successfully tested among the children of my own household. No family ought to be without this invaluable medicine.

It destroys inflammation by perspiration. The following commendation is from an agent residing at Trenton, Tennessee: TRENTON, Gibson Co., Tenn., Nov. 7, '49. Messrs. Scovil & Mead—Gentlemen: The Hebrew Plaster is becoming popular in this section. There is a lady in the county who says she would not be without this Plaster for five hundred dollars a year. She was afflicted for some time with an enlargement of the spleen, which gave her a great deal of pain. The swelling and pain had extended up nearly to the armpit, and occasionally she could scarcely breathe. She was confined for a considerable time, during which she was attended by some of our best physicians, but they gave her no relief. She procured a box of the Hebrew Plaster, and it relieved her almost immediately, and now she keeps a supply of it on hand constantly.
