

**COLLETON BITTERS.**  
 THESE justly celebrated BITTERS are purely a vegetable compound, and will be found a safe and sovereign remedy for Dropsy, Nervous Weakness, and General Debility. They have been repeatedly tested, not only by the most respectable families and physicians in the South, who have furnished ample testimony as to their decided excellence, but also by the proprietor, who for ten years suffered all the gloom incident to that stubborn and distressing disease.

For the satisfaction of those who may not otherwise feel disposed to try this valuable compound, reference is made by permission, to the following highly respectable gentlemen:

**HOME TESTIMONY**  
 OF THE COLLETON BITTERS, "purely a vegetable compound, and which, from the confidence I have in the character and integrity of the maker and proprietor thereof, I verily believe to be true, I entertain the most favorable opinion." Several of my personal friends and acquaintances, long afflicted with Dropsy, have assured me that they have found these Bitters better than any other medicine they ever tried for that distressing disease. And I take this further to state that I have witnessed the excellency of these Bitters in Nausea, Sick Head Ache, and Bowel Complaints, in the latter, I have seen the Colleton repeatedly and successfully tested among the children of my own household. No family ought to be without this invaluable medicine.

Signed,
