

From the Cincinnati Commercial.
Strange! That so many who are afflicted with a Cough that is gradually wearing them down, and slowly, but surely stealing them into that dreadful disease, Consumption—that disease which carries off thousands daily, are doing nothing, or what is worse than nothing, getting themselves with nostrums, that puffed to the skies for cures they are said to have effected on some foreign or unknown persons, when they can be positively cured by using Dr. Rogers' Compound Syrup of Liverwort and Tar, which still continues to effect the most wonderful cures ever recorded in the annals of medicine. A fact which is proved by reference to the vast number of certificates which may be seen by calling on the agent. For sale at Z. J. DeHay's and T. J. Workman's Drug Store.
See advertisement on fourth page.

GRISWOLD'S COTTON GINS.
THE Subscriber has a better location and is much better prepared for manufacturing (188 than any other Establishment in operation. He has made and sold double the number of any other maker in the country, his sales averaging one thousand per annum. This unequalled demand justifies the reputation claimed for his Gins, viz: that they *Gin faster, run lighter, clean the seed better, take out more moats, make better lint, have Patent Water Boxes, far more durable and secure against Fire than any other, and that all other water boxes whether double or single are, not only a deception, but are an infringement on his rights, and will subject the Planter who uses them to pay damages for a violation of the Patent Laws.*
These advantages justify him in offering to supply the Planting Community with Gins on better terms, according to quality, than any other Factory, Premium Gins not excepted.
Planters of South Carolina can order these Gins through Messrs. Herriot & Brailford, Charleston; Mr. M. W. Coleman, Hamburg; Messrs. Law & Drayton, and Mr. Jesse Drafts, Columbia; Mr. Duncan Malloy, Cheraw; Mr. C. Matheson, Camden; Messrs. Townsend & Douglas, Bennettsville, and his Travelling Agents, or by letter directed to him at Griswoldville, Jones County, Georgia.
Gins delivered at the purchasers nearest Steamboat landing or Railroad station.
