

THE GREAT SUMMER MEDICINE!  
DR. GUYSSOTT'S IMPROVED EXTRACT OF  
Yellow Dock and Sarsaparilla,  
FOR THE CURE OF ALL DISEASES OR DISORDERS  
generated by impure blood. Its great success  
justly entitles it to the name of The Great American  
specific.

So far as it is known it is universally appreciated,  
and many eminent physicians use it daily in  
their practice with the most happy effects, and  
certify that it is the best extract in existence, and  
the only one that stands the test of time.

Every year adds to its great popularity, and  
multiplies its astounding cures. The victim of  
Hereditary Scrofula, with supporting glands, hor-  
ridly-combed flesh, and carries eating into his bones,  
finds Guyssott's Yellow Dock and Sarsaparilla balm  
for his affliction. His horrible torments are assu-  
aged, and his malady not only relieved, but per-  
fectly cured.

It may be safely asserted, from the results of  
past experience, that "Dr. Guyssott's Extract of  
Yellow Dock and Sarsaparilla," is beyond all com-  
parison, the most wonderful remedy on earth for the  
following diseases, and all others proceeding from  
vitiated blood: Scrofula, or King's Evil, Rheu-  
matism, Obsolete Cutaneous Eruptions, Pimples or  
Pustules, on the face, Bitches, Itch, Scald  
Head, Enlargement and Pains of the Bones and  
Joints, Stomachic Disorders, Syphilitic Lumbago, and  
Diseases arising from an injudicious use of Mer-  
cury. Acites or Dropsy, Exposure or Imprudence  
in Life, Liver Complaint, Ague and Fever, Inter-  
mittent Fever, Cholera Morbus, Dysentery, Diar-  
rhea, Plethora of Blood in the Head, Pains in  
the Back, Sides, Breast or Lungs, and all forms  
of Muscular, Glandular, and Skin diseases.

It is a sovereign specific for General Debility,  
and the best renovator for a Broken Constitution.  
It braces and reinvigorates every organ, promotes  
activity and regularity in every function, and  
produces that condition of the whole physical sys-  
tem which is the best security for long life.

Let all who wish to purge the blood from the  
impurities contracted from too free indulgence of  
the appetite during the winter, and to prepare the  
system to resist summer epidemics, resort now to  
"Guyssott's Extract of Yellow Dock and Sarsapa-  
rilla," which is proving itself an antidote for ma-  
ny of the most malignant diseases that flesh is  
heir to, and they will never be disappointed, for in  
this remedy the public faith has never wavered—  
never can waver; for it is founded on experience,  
just as their want of faith in other and spurious  
compounds is also founded on experience. They  
fly from mineral nostrums to seek hope, life, and  
vigor from this purely vegetable remedy. There-  
fore, however broken down in health and spirits,  
however loathsome to himself and others, let no  
one despair of recovery; let the patient only un-  
derstand that this hope of physical restoration  
lies only in "Guyssott's Extract of Yellow Dock  
and Sarsaparilla," and persuade him for his life's  
sake to try it, and we have no hesitation in pre-  
dicting his speedy restoration to health.

As a means of regulating all the functions of  
woman's delicate organization, it has no equal in  
materia medica, and at that critical period of life  
when the first stage of her decline commences,  
its cordial and invigorating properties will enable  
her to pass the crisis safe.

It is now genuine unless put up in large bottles  
containing a quart, and name of the Syrup Blum-  
in the glass, with the written signature S. F. Ben-  
nett on the outside wrapper.

**A Lovely Young Lady cured of Consumption.**  
The following is from the pen of Wm. H.  
Levison, Esq., the distinguished editor of the U.  
S. Military and Naval Argus, under date New  
York, January 26, 1850. What could be more  
conclusive?

"It is seldom we permit ourselves to occupy a  
space in these columns to speak in praise of any  
article in the patent medicine way; but when we  
see the life of a fellow-creature saved by the use of  
any medicine whatever, we consider it as our  
right, if not our duty, to give a simple statement  
of facts, that others may, in like manner, be ben-  
efitted. The case which has induced us to pen  
this article was that of a young lady of our acquain-  
tance, who by frequent exposure to the night air  
contracted a Cold which settled on the Lungs be-  
fore its ravages could be stayed. (This occurred two  
years ago this winter.) Various remedies were  
used, but with very little effect or benefit. The  
Cough grew worse, with copious expectoration,  
and the swollen eyes, and pale hollow cheeks,  
told plainly that pulmonary disease was doing its  
worst on her delicate frame. The family physi-  
cian was consulted, and although he would not ad-  
mit to the young lady that she really had the Con-  
sumption, yet he would give no encouragement as to  
a cure. At this crisis her mother was persuaded  
to make use of a bottle of Dr. Rogers' Com-  
pound Syrup of Liverwort and Tar, and we are  
happy to state she was perfectly cured in less than  
three months by this medicine alone, after even  
hope was destroyed. It is useless to comment on  
such a case as this, for the simple truth will reach  
where polished fiction never can. If any doubt  
the authenticity of this statement, let them call at  
this office.—U. S. Military and Naval Argus, No.  
19 Chatham street, N. Y.

**ANOTHER SCIENTIFIC WONDER,**  
FOR THE CURE OF  
**DYSPEPSIA.**  
**DR. J. S. HOUGHTON'S**  
**PEPSIN**

Prepared from RENNET, or the fourth STOM-  
ACH OF THE OX, after directions of BARON  
LIEBIG, the great Physiological Chemist, by  
J. S. HOUGHTON, M. D. Philadelphia, Pa.  
This is a truly wonderful remedy for INDIGES-  
TION, DYSPEPSIA, JAUNDICE, LIVER  
COMPLAINT, CONSTIPATION, and DEBIL-  
ITY. Curing after Nature's own method, by  
Nature's own Agent, the Gastric Juice.

Half a teaspoonful of PEP-SIN, infused in wa-  
ter, will digest or dissolve, Five Pounds of Roast  
Beef in about two hours, out of the stomach.  
PEP-SIN is the chief element, or Great Digest-  
ing Principle of the Gastric Juice—the Solvent  
of the Food, the Purifying, Preserving, and Stimula-  
ting Agent of the Stomach and Intestines. It is  
extracted from the Digestive Stomach of the Ox,  
thus forming an ARTIFICIAL DIGESTIVE  
FLUID, precisely like the natural Gastric Juice in  
its Chemical powers, and furnishing a COM-  
PLETE and PERFECT SUBSTITUTE for it.  
By the aid of this preparation, the pains and evils  
of INDIGESTION and DYSPEPSIA are remov-  
ed, just as they would be by a healthy Stomach.  
It is doing wonders for Dyspeptics, curing cases  
of DEBILITY, EMACIATION, NERVOUS DE-  
CLINE, and DYSPLEPTIC CONSUMPTION,  
supposed to be on the verge of the grave. The  
Scientific Evidence upon which it is based, is in  
the highest degree CURIOUS and REMARKA-  
BLE.

**SCIENTIFIC EVIDENCE!**  
BARON LIEBIG in his celebrated work on  
Animal Chemistry, says: "An Artificial Digestive  
Fluid, analogous to the Gastric Juice, may be  
readily prepared from the mucous membrane of  
the stomach of the Ox, in which various articles  
of food, as meat and eggs, will be softened chang-  
ed, and digested, just in the same manner as they  
would be in the human stomach."  
Call on the Agent, and get a Descriptive  
Circular, gratis, giving a large amount of SCIENTI-  
FIC EVIDENCE, similar to the above, together  
with Reports of REMARKABLE CURES,  
from all parts of the United States.

OF THE COLLETON BITTERS. "A purely a vegeta-  
ble Compound, and which from the confidence I have  
in the character and integrity of the maker and proprietor  
thereof, I verily believe to be true. I entertain the most  
favorable opinion of it, and I entertain the most  
acquaintance, long afflicted with Dyspepsia, have as-  
sured me that they have found these Bitters better than  
any other medicine they ever tried for that distressing  
disease. And I take pleasure for her to state that I have  
witnessed the excellent of these Bitters in Nature's  
Sick Head Ache, and Bowel Complaints, in Nature's  
have seen the Colic, to be quite cured, and success fully tested  
among the children of my own household. No family  
cabinet to be without this invaluable medicine."
