TO THE SICK.

For the effectual rooting out from the system of all diseases brought on by indigestion, billiousness and impurity of the blood, it is a widely and well known fact that *WRIGHT'S INDIAN VEGETABLE PILLS* are *the great PANACEA*. Throughout the entire South, these Pills have long been held in the highest repute, both by private individuals and by the Medical faculty of our country. Southern fevers and Southern diseases generally, yield to their influence at once; and the unfortunate victim to "earthly ills and woes" is made to thank Heaven that a sovereign balm has been provided.

Let each try them for himself and if the medicine fails to satisfy, the experiment shall cost him nothing.
