TO THE SICK.

For the effectual rooting out from the system of all diseases brought on by indigestion, billiousness and impurity of the blood, it is a widely and well known fact that WRIGHT'S INDIAN VEGETABLE PILLS are the great PANACEA. Throughout the entire South, these Pills have long been held in the highest repute, both by private individuals and by the Medical faculty of our country. Southern fevers and Southern diseases generally, yield to their influence at once; and the unfortunate victim to "earthly ills and woes" is made to thank Heaven that a sovereign bolm has been pro-

Let each try them for himself and if the medicine fails to satisfy, the experiment shall cost him nothing.

THOS. J. WORKMAN, Agent for Camden, S. C., and sold by Druggists and Merchants throughout the coun-June 28-1v.

It should be universally known-for it is strictly truethat indigestion is the parent of a large proportion of the fatal diseases. Dysentery, diarrhosa, cholera mor-bus, liver complaint, and many other diseases enume rated in the city inspector's weekly catalogue of deaths, are generated by indigestion alone. Think of that dyspeptics! think of it all who suffer from disordered stomachs, and if you are willing to be guided by advice, founded upon experience, resort at once (don't delay a day) to Hooffalnd's German Bitters, prepared by Dr. C. M. Jackson, which, as an alterative, curative, and invigorant, stands alone and unapproached. General depot. 120 Arch treet. We have tried these Bitters, and know that they are excellent for the diseases specified above.-Philadelphia City Item. August 31.
