

The editor of the Cincinnati Nonpareil, having visited North Bend, speaks thus of General Harrison's tomb:

"On a recent visit to the tomb of Harrison, situated on one of the most beautiful sites in the western country, at North Bend, we were pained at beholding the little attention bestowed upon the ground covering the last resting-place of the hero. The lot selected, in which are deposited the remains of 'Old Tippecanoe,' is enclosed around the base in a circular form, with a board fence, roughly white-washed. The long grass has all been trodden down, shrubby-broken, trees cut, and even the wooden door leaning to the vaults has been defaced and mutilated, while the rough bricks on each side of the mound have been loosened and scattered over the ground for yards around. The earth on the mound has been ploughed up, as though the hogs had been rooting there. The tomb, and all the once-beautiful and enchanting scenery, have lost all their interest, and the visit to the spot is now anything but pleasant. Thus expressing ourselves, we only echo the general feeling of all who have visited the burial-place this spring."

ANOTHER SCIENTIFIC WONDER.

IMPORTANT TO DYSPYPTICS.
Dr. J. S. HOUGHTON'S PEPSIN, THE TRIPLE DIGESTIVE FLUID, OF GASTRIC JUICE, PREPARED FROM KENNER, OR THE FOURTH STOMACH OF THE OX, after directions of BARON LIEBIG, the great Physiological Chemist, by J. S. HOUGHTON, M. D., Philadelphia. This is truly a wonderful remedy for INDIGESTION, DYSPEPSIA, JAUNDICE, LIVER COMPLAINT, CONSTIPATION and DEBILITY, curing after Nature's own method, by Nature's own Agent, the GASTRIC JUICE. Pamphlets, containing Scientific evidence of its value, furnished by agents gratis. See notice among the medical advertisements.

TO THE SICK.

For the effectual rooting out from the system of all diseases brought on by indigestion, biliousness and impurity of the blood, it is a widely and well known fact that **WRIGHT'S INDIAN VEGETABLE PILLS** are the great PANACEA. Throughout the entire South, these Pills have long been held in the highest repute, both by private individuals and by the Medical faculty of our country. Southern fevers and Southern diseases generally, yield to their influence at once; and the unfortunate victim to "earthy illands woods" is made to thank Heaven that a sovereign balm has been provided. Let each try them for himself and if the medicine fails to satisfy, the experiment shall cost him nothing. THOS. J. WORKMAN, Agent for Camden, S. C., and sold by Druggists and Merchants throughout the country. June 28-17.
