POISONING.

Thousands of parents who use Vermifuge composed of Castor Oil, Calomel, &c., are not aware, that while they appear to benefit the patient, they are actually laying the foundations for a series of diseases, such as salivation, loss of sight, weakness of limbs, &c.

In another column will be found the advertisement of HOBENSACK'S Medicines, to which we ask the attention of all directly interested in their own as well as their children's health. In Liver Complaints and all disorders arising from those of a bilious type, should make use of the only genuine medicine, HOBENSACK'S Liver Pills.

Be very particular? but ask for HOBENSACK'S Worm Syrup and Liver Pills, and observe that each has the signature of the Proprietor, J. N. HOBENSACK, as none else are genuine.

Timely Hints to All.

FRIENDS—Reader, if you have a valued Friend, in whose welfare you feel an interest, that friend will prize, as a precious memorial, your Daguerrotype Miniature, if taken in SQUIER'S peculiar style.

PARENTS—If you are still blessed with Parents, and no Artist's pencil has or can truly trace the lineaments of his or her familiar face or form, you may well act the part of wisdom to *advise or persuade* them to visit, without delay, SQUIER'S Daguerrotype Rooms, and have their Miniatures taken in his superior style of art.

TO ALL—How many have lost a Father, a Mother, a Sister, a Brother, or an innocent prattling child, and have not even the shadow of a resemblance to look upon. After the separation, some "little toy" or trifling article is often kept for years, and cherished as a token of remembrance. How much more valuable would be one of SQUIER'S perfect Daguerrotype Miniatures of the "loved and lost."

There is scarcely any one who does not take pleasure in gazing on the features of a friend, and when that friend has been removed by death, we often hear the exclamation uttered with an expression of deep regret, "Oh, what would I not give for such a picture of my friend."

Reader, perhaps you cannot do a better thing, while your mind is upon the subject, than take an hour or two now, and visit the gallery; then you may, at some future period, have reason to feel grateful for these "Gentle Hints" from

SQUIER'S DAGUERREAN GALLERY.

Florida Lands for Sale.

THE following valuable Tracts of LAND, lying in Marion and Alachua counties, will be offered at private sale during the months of October, November and December, next, viz: "WETUMPKA HAMMOCK," situated about ten miles North of Ocala, (the County Seat of Marion County,) containing 3,000 acres, about one half of which is hammock, unsurpassed by any in the State, and the remainder White Oak and Hickory land.

A TRACT, well known as the "Fort Drake" Plantation, containing 3,000 acres of Land, principally first quality hammock, between four and five hundred acres of which are thoroughly cleared and at present in cultivation. This place for several years averaged two hogheads of Sugar to the acre, and every year that it has been cultivated has produced fine crops of Corn and Cotton. These tracts could readily be divided into two or three plantations, each being surrounded by high rolling pine lands.

A TRACT of 1,000 acres on Orange Lake, consisting of hammock, orange grove and well-timbered pine land.

TWO TRACTS of 1,000 each, near the Alchua Prairie. The greater part of these tracts is rich hammock. Also, 5,000 acres on Indian river. Any one wishing to cultivate Sugar Cane would do well to examine this land, as being remarkably fertile, and lying south of the region of frost, it is as well adapted to that culture as any in the United States.

12,000 acres, generally known as the "BAYARD TRACT," situated on the St. John's River, opposite Picolata. There are many small hammocks and orange groves on this tract, but it is principally valuable for its pine timber. It has a river front of 7 or 8 miles.

1,000 acres on Lake George, and several small tracts on and near the St. John's river, well situated for farming, the raising of orange groves, &c.

The above tracts of Land were purchased by the late Gen. Clinch immediately after his position at Florida to the United States. From his position at that time, his facilities for selection were unusually great, and it is believed they include as good land as can be found in the State.

On account of their accessibility from Charleston and Savannah, they offer great inducements to planters in Carolina and Georgia wishing to remove.

The titles are clear and indisputable.

Terms cash, or payable at Charleston or Savannah, on or before the first of January.

Any further information on the subject, can be obtained by addressing the subscriber, at Orange Spring, Marion County, Florida.
