DR. HOOPLAND'S CELEBRATED GERMAN BITTERS,
PREPARED BY
DR. C. M. JACKSON,
AT THE GERMAN MEDICINE STORE,
120 Arch Street, Philadelphia.

Their power over the above diseases is not excelled—if equalled—by any other preparation in the United States, as the cures attest, in many cases after skillful physicians had failed.
These Bitters are worthy the attention of invalids. Possessing great virtues in the rectification of diseases of the Liver and lesser glands, exercising the most searching powers in weakness and affections of the digestive organs, they are without safe, certain, and pleasant.
READILY BE CONVINCED.
From the "Boston Bee."
The doctor said, Dec. 2nd
Dr. Hooplund's Celebrated German Bitters for the cure of Liver Complaint, Jaundice, Dyspepsia, Chronic or Nervous Debility, is deservedly one of the most popular medicines of the day. These Bitters have been used by thousands, and a friend at our elbow says he has received an efficient and permanent cure of Liver Complaint from the use of this remedy. We are convinced that, in the use of these Bitters, the patient constantly gains strength and vigor—a fact worthy of great consideration. They are pleasant in taste and smell, and can be used by persons with the most delicate stomachs with safety, under any circumstances. We are speaking from experience and to the afflicted we advise their use.
"SCOTT'S WEEKLY," one of the best literary papers published, said, Aug. 2nd
"DR. HOOPLAND'S GERMAN BITTERS, manufactured by Dr. Jackson, are now recommended by some of the most eminent members of the faculty as an article of much efficacy in cases of general weakness. As usual in the case, we would advise all who desire to obtain a healthy and true state of themselves, to take these Bitters, and to give their contributions with their Bitters, as a testimonial to their health, as we know from experience the salutary effect upon weak systems."
MORE EVIDENCE.
"The Board of Health of the City of Camden, N. J. says:
"HOOPLAND'S GERMAN BITTERS.—We have seen many flattering notices of this medicine, and the source from which they came induced us to make inquiry respecting its merits. From inquiry we were persuaded to use it, and find that it is specific in its action upon diseases of the liver and digestive organs, and the powerful influence it exerts upon nervous prostration is really surprising. It calms and strengthens the nerves, bringing them into a state of repose, making sleep refreshing.
"If this medicine was more generally used, we are satisfied there would be less sickness, as from the stomach, liver, and nervous system the great majority of real and imaginary diseases originate. Have them in a healthy condition, and you can put defiance to epidemics generally. This extraordinary medicine we would advise our friends who are at all indisposed, to give a trial—it will recommend itself. It should, in fact, be in every family. No other medicine can produce such evidences of merit."
Evidence upon evidence has been received (like the foregoing) from all sections of the Union, the last three years, and the strongest testimony in its favor is, that there is more of it used in the practice of the regular Physicians of Philadelphia, than all other nostrums combined, a fact that can easily be established, and fully proving that a scientific preparation will meet with medical approval when presented to them in this form.
"That this medicine will cure Liver Complaint and Dyspepsia, no one can doubt after using it a few bottles. It acts specifically upon the stomach and liver; it is gradually calmed in all bilious diseases—the effect to be seen as they can be administered to female or infant with safety and reliable benefit at any time.
"Look well to the marks of the genuine.—It has the written signature of C. M. JACKSON, upon the wrapper, and his name alone in the bottle, without which they are spurious.

ANOTHER SCIENTIFIC WONDER,
FOR THE CURE OF
DYSPEPSIA.
DR. J. S. HOUGHTON'S
PEPSIN.
Prepared from RENNET, or the fourth STOMACH OF THE OX, after directions of BARON LIEBIG, the great Physiologist, Chemist, by J. S. HOUGHTON, M. D. Philadelphia, Pa. This is a truly wonderful remedy for INDIGESTION, DYSPEPSIA, JAUNDICE, LIVER COMPLAINT, CONSTIPATION, and DEBILITY, Curing after Nature's own method, by Nature's own Agent, the Gastric Juice.
Half a teaspoonful of Pepsin, infused in water, will digest or dissolve, Five Pounds of Roast Beef in about two hours, out of the stomach. Pepsin is the chief element, or Great Digesting Principle of the Gastric Juice—the Solvent of the Food, the Purifying, Preserving, and Stimulating Agent of the Stomach and Intestines. It is extracted from the Digestive Stomach of the Ox, thus forming an ARTIFICIAL DIGESTIVE FLUID, precisely like the natural Gastric Juice in its Chemical powers, and furnishing a COMPLETE and PERFECT SUBSTITUTE for it. By the aid of this preparation, the pains and evils of INDIGESTION and DYSPEPSIA are removed, just as they would be by a healthy Stomach. It is doing wonders for Dyspeptics, curing cases of DEBILITY, EMACIATION, NERVOUS DECLINE, and DYSPEPTIC CONSUMPTION, supposed to be on the verge of the grave. The Scientific Evidence upon which it is based, is in the highest degree CURIOUS and REMARKABLE.

SCIENTIFIC EVIDENCE!
BARON LIEBIG in his celebrated work on Animal Chemistry, says: "An Artificial Digestive Fluid, analogous to the Gastric Juice, may be readily prepared from the mucous membrane of the stomach of the Ox, in which various articles of food, as meat and eggs, will be softened, changed, and digested, just in the same manner as they would be in the human stomach."
"Call on the Agent, and get a Descriptive Circular, gratis, giving a large amount of SCIENTIFIC EVIDENCE, similar to the above, together with Reports of REMARKABLE CURES, from all parts of the United States.

\$500 CHALLENGE,
WHATEVER concerns the health and happiness of a people is at all times of the most importance. I take it for granted that every person will do all in their power, to save the lives of their children, and that every person will endeavor to promote their own health at all sacrifices. I feel it to be my duty to solemnly assure you that WORMS, according to the opinion of the most celebrated Physicians, are the primary causes of a large majority of diseases to which children and adults are liable; if you have an appetite continually changeable from one kind of food to another, Bad Breath, Pain in the Stomach, Picking at the Nose, Harshness and Fullness of the Belly, Dry Cough, Slow Fever, Pulse Irregular, remember that all these denote WORMS, and you should at once apply the remedy—
HOBENACK'S WORM SYRUP.

An article founded upon Scientific Principles, compounded with pure vegetable substances, being perfectly safe when taken, and can be given to the most tender Infant, to save the lives of their children, and that every person will endeavor to promote their own health at all sacrifices. I feel it to be my duty to solemnly assure you that WORMS, according to the opinion of the most celebrated Physicians, are the primary causes of a large majority of diseases to which children and adults are liable; if you have an appetite continually changeable from one kind of food to another, Bad Breath, Pain in the Stomach, Picking at the Nose, Harshness and Fullness of the Belly, Dry Cough, Slow Fever, Pulse Irregular, remember that all these denote WORMS, and you should at once apply the remedy—
HOBENACK'S WORM SYRUP.

This is the most difficult Worm to destroy of all that infest the human system, it grows to an almost indefinite length becoming so coiled and fastened in the Intestines and Stomach effecting the health so called as to cause St. Vitus Dance, Fits, &c., that those afflicted seldom if ever suspect that it is Tape Worm haunting them to an early grave. In order to destroy this Worm, a very energetic treatment must be pursued, it would therefore be proper to take 6 to 8 of my Liver Pills so as to remove all obstructions, that the Worm Syrup may act directly upon the Worm, which must be taken in an ALPHEA TIVE, which changes in a day these directions followed have never been known to fail in curing the most obstinate case of Tape Worm.

HOBENACK'S LIVER PILLS.
A part of the system is more liable to disease than the LIVER, it serving as a filter to purify the blood, or giving the proper secretion so cooled and fastened in the Intestines either liver or partial, they have become fastened to the system, and exults variously, in Liver Complaint, Jaundice, Dyspepsia &c. We should, therefore, watch every symptom that might indicate a wrong action of the Liver. These Pills being composed of ROOTS & PLANTS furnished by nature to heal the sick. Namely, 1st, An EXPECTORANT, which augments the secretion from the Pulmonary mucous membrane, promotes the discharge of secreted matter. 2nd, An ALPHEA TIVE, which changes in a day these directions followed have never been known to fail in curing the most obstinate case of Tape Worm.

TO FEMALES.
You will find these Pills an invaluable medicine in many complaints to which you are subject. In obstructions either total or partial, they have become fastened to a healthy action, purifying the blood and other fluids so effectually to put to flight all complaints which may arise from female irregularities, as headache, giddiness, dimness of sight, pain in the side back, &c.
None genuine unless signed J. N. Hobenack, all others being base imitations.
