Valuable Florida Lands.

THE subscriber offers for sale his Plantation in Marion County, Florida. The Tract contains sixteen hundred acres—nine hundred of which is hammock land, and the remainder pine, oak and hickory. There are four hundred acres cleared and under good fence, two hundred and fifty of which is prime hammock land. There are on the premises a good Dwelling House, and a sugar house, capable of containing a crop of two hundred hogsheads of sugar-a sugar mill and boiler complete, with negro houses, corn cribs, and all necessary The Land is situated two miles South outbuildings. of Orange Lake, and seventeen miles from the Ocklanaha River, which furnishes a good navigation to the St. John. Besides these advantages, there will be 3000 bushels of Corn, which would be disposed of reasonably to a person purchasing the place.

Large crops of sugar and cotton, both Sea Island and

Upland, have been realised from these Lands. The opportunity of purchasing so desirable and valuable a plantation, is rarely offered. For Terms, &c. address the subscriber at St. Au-

A TRACT, weil known as the "Fort Drane" Plantation, containing 3,000 acres of Land, principally first quality hammock, between four and five hundred acres of which are thoroughly cleared and at present in cultivation. These tracts could readily be divided into two or three plantations, each being surrounded by

high rolling pine land. A TRACT of 1,000 acres on Orange Lake, consisting of hammock, orange grove and well-timbered pine

HOBENSACK'S LIVER PILLS. No part of the system is more liable to disease than the

No part of the system is more liable to disease than the LIVER, it serving as a filterer to purify the plood, or giving the proper secretion to the bile; so that any wrong action of the Liver effects the other important parts of the system, and results variously, in Liver Complaint, Jaundice; Dyspepsia &c. We should, therefore, watch every symptom that might indicate a wrong action of the Liver. These Pills being composed of ROOTS & PLANTS furnished by nature to head the sick: Namely, 1st, An EXPECTORANT which suggests the secretion from the PECTORANT, which augments the secretion from the Pulmouary mucus membrane, or promotes the discharge of secreted matter. 2nd. An ALTERATIVE, which changes in some inexplicable and insensible manner the certain morbid action of the system. 3rd, A TONIC which gives one and strength to the nervous system, renewing health and vigor to all parts of the body. 4th, A CATHARTIC, which acts in perfect harmony with the other ingredients, and operating on the Bowels, and expelling the whole mass of corrupt and vitiated matter, and purifying the Blood, which destroys disease and restores health.

TO FEMALES.

You will find these Pills an invaluable medicine in many complaints to which you are subject. In obstructions either total or partial, they have been found of inestimable benefit, restoring their functional arrangements to a healthy action, purifying the blocd and other fluids so effectually to put to flight all complaints which may arise from female irregularities, as headache, giddiness, dimenso of sight, pain in the side back, &c.
