The editor said, Dec. 22nd

Dr. Hoofland's Celebrated German Bitters for the cure of Liver Complaint, Jaundice, Dyspepsia Chronic or Nervous Debility, is deservedly one of the most popular medicines of the day. These Bitters lave been used by thousands, and a friend at our elbow says he has himself received an effectual and permanent cure of Liver Complaint from the use of this remedy. We are convinced that, in the use of these Bitters, the patient constantly gains strength and vigor—a fact worthy of great consideration. They are pleasant in taste and smell, and can be used by persons with the most delicate stomachs with safety, under any circumstances. We are speaking from experience and to the afflicted we advise their use.

"Scott's Weekly," one of the best Literary papers published, said, Aug. 25—

"Dr. Hoofland's German Bitters, manufactured by Dr. Jackson, are now recommended by some of the most prominent members of the faculty as an article of much efficacy in cases of female weakness. As such is the case, we would advise all mothers to obtain a bottle, and thus save themselves much sickness. Fersons of debilitated constitutions will find these Bitters advantageous to their health as we know from experience the salurary effect mon weak systems."

From inquiry we were persuaded to use it, and must say we found it specific in its action upon diseases of the liver and digestive organs, and the powerful influence it exerts upon nervous prostration is really surprising. It calms and strengthens the nerves, bringing them into a state of repose, making sleep refreshing.

This extraordinary medicine we would advise our friends who are at all indisposed, to give a trial—it will recommend itself. It should, in fact, be in every family. No other medicine can produce such evidences of merit."

Evidence upon evidence has been received (like the foregoing from all sections of the Union, the last three years, and the strongest testimony in its favor, is, that there is more of it used in the practice of the regular Physicians of Philadelphia, than all other nostroms comba fact that can easily be established, and fully prined, that a scientific preparation will meet with their quoving proval when present deven in this form.

ANOTHER SCIENTIFIC WONDER,

FOR THE CURE OF

DIESTER TERM

Prepared from RENNET, or the fourth STOM-ACH OF THE OX, after directions of BARON LIEBIG, the great Physiological Chemist, by J. S. HOUGHTON, M. D. Philadelphia, Pa. This is a truly wonderful remedy for INDIGES-TION, DYSPEPSIA, JAUNDICE, LIVER COMPLAINT, CONSTIPATION, and DEBIL-ITY, Curing after Nature's own method, by Nature's own Agent, the Gastric Juice Half a teaspoonful of Persin, infused in wa-

ter, will digest or dissolve, Fire Pounds of Roast Be f in about two hours, out of the stomach. PEPSIN is the chief element, or Great Digest ing Principle of the Gastric Juice-the Solvent of the Food, the Purifying, Preserving, and Stimulating Agent of the Stomach and Intestines. It is

extracted from the Digestive Stomach of the Ox, thus forming an ARTIFICIAL DIGESTIVE FLUID, precisely like the natural Gastric Juice in its Chemical powers, and furnishing a COM-PLETE and PERFECT SUBSTITUTE for it. By the aid of this prepriation, the pains and evils of INDIGESTION and DYSPEPSIA are removed, just as they would be by a healthy Stomach. It is doing wonders for Dyspeptics, curing cases of DEBILITY, EMACIATION, NERVOUS DECLINE, and DYSPEPTIC CONSUMPTION, supposed to be on the verge of the grave. The Scientific Evidence upon which it is based, is in the highest degree CURIOUS and REMARKA-
