DR. HOOFLAND'S CELEBRATED GERMAN BITTERS, PREPARED BY

DR. C. M. JACKSON, AT THE GEVMAN MEDICINE STORE. 120 Arch Street, Philadelphia,

Their power over the above diseases is not excelled-if equalled-by any other preparation in the United States, as the cures attest, in many cases after skilful physicians

had failed.

These Bitters are worthy the attention of invalids. Possessing great virtues in the rectification of diseases of the Liver and lesser glands, exercising the most searching powers in weakness and affections of the digestive organs, they are withal safe, certain and pleasant.

READ AND BE CONVINCED.

From the "Boston Bec."

The editor said, Dec. 22nd

Dr. Hoosland's Celebrated German Bitters for the cure of Liver Complaint, Jaundice, Dyspepsia Chronic or Nervous Debility, is deservedly one of the most popular medicines of the day. These Bitters have been used by thousands, and a friend at our elbow says he has himself received an effectual and permanent cure of Liver Complaint from the use of this remedy. We are convinced that, in the use of these Bitters, the patient constantly gains strength and vigor—a fact worthy of great consideration. They are pleasant in taste and smell, and can be used by persons with the most delicate stomachs with safety, under any circumstances. We are speaking from experience and to the afflicted we advise their use.

"Scott's Weekly." one of the best Literary papers published, said, Aug. 25—

"Dr. Hoofland's German Bitters, manufactured by Dr. Jackson, are now recommended by some of the most prominent members of the faculty as an article of much efficacy in cases of female weakness. As such is the case, we would advise all mothers to obtain a bottle, and thus save themselves much sickness. Persons of debilitated constitutions will find these Bitters advantageous to their health as we know from experience the salutary effect upon weak systems."

more evident systems.

The Hon, C. D. Hineline, Mayor of the City of Camden, N. J., says:

"Hoofland's German Bitters.—We have seen many flattering notices of this medicine, and the source from which they came induced us to make inquiry respecting its merits. From inquiry we were persuaded to use it, and must say we found it specific in its action upon diseases of the liver and digestive organs, and the powerful influence it exerts upon nervous prostration is really surprising. It calms and strengthens the nerves, brirging them into a state of repose, making sleep refreshing.

"If this medicine was more generally used, we are satisfied there would be less sickness, as from the stomach, liver, and nervous system the great majority of real and and imaginary diseases emanate. Have them in a healthy condition, and you can bid defiance to epidemics generally. This extraordinary medicine we would advise our friends who are at all indisposed, to give a trial—it will recommend itself. It should, in fact, be in every family. No other medicine can produce such evidences of merit."

Evidence upon evidence has been received (like the foregoing) from all sections of the Union, the last three years, and the strongest testimony in its favor, is, that there is more of it used in the practice of the rogular Physicians of Philadelphia, than all other nostrums combined, a fact that can easily be established, and fully oving that a scientific preparation will meet with their quoving that a scientific preparation will meet with their quoving that a scientific preparation will meet with their quoving that a scientific preparation will meet with their quoving that a scientific preparation will meet with their quoving that a scientific preparation will meet with their quoving that a scientific preparation will meet with their quoving that a scientific preparation will meet with their quoving the pessa, no one can doubt after using it as directe and Dysspecifically upon the stomach and liver; it is d. ANOTHER SCIENTIFIC WONDER,

FOR THE CURE OF DISTRIBUSIO

Prepared from RENNET, or the fourth STOM-ACH OF THE OX, after directions of BARON LIEBIG, the great Physiological Chemist, by J. S. HOUGHTON, M. D. Philadelphia, Pa. This is a truly wonderful remedy for INDIGES-TION, DÝSPEPSIA, JAUNDICE, LIVER COMPLAINT, CONSTIPATION, and DEBIL-ITY, Curing after Nature's own method, by Nature's own Agent, the Gastric Juice Half a teaspoonful of Persin, infused in wa-

ter, will digest or dissolve, Five Pounds of Roast Be f in about two hours, out of the stomach. PEPSIN is the chief element, or Great Digesting Principle of the Gastric Juice-the Solvent of the Food, the Purifying, Preserving, and Stimula-ting Agent of the Stomach and Intestines. It is extracted from the Digestive Stomach of the Ox, thus forming an ARTIFICIAL DIGESTIVE FLUID, precisely like the natural Gastric Juice in its Chemical powers, and furnishing a COM-PLETE and PERFECT SUBSTITUTE for it. By the aid of this preprration, the pains and evils of INDIGESTION and DYSPEPSIA are removed, just as they would be by a healthy Stomach. It is doing wonders for Dyspeptics, curing cases of DEBILITY, EMACIATION, NERVOUS DE-CLINE, and DYSPEPTIC CONSUMPTION, supposed to be on the verge of the grave. The Scientific Evidence upon which it is based, is in the highest degree CURIOUS and REMARKA-

SCIENTIFIC EVIDENCE!

BARON LIEBIG in his celebrated work on Animal Chemistry, says: "An Artificial Digestive Fluid, analogous to the Gastric Juice, may be readily prepared from the mucous membrane of the stomach of the Ox, in which various articles of food, as meat and eggs, will be softened. changed, and digested, just in the same manner as they would be in the human stomach."

Kirshwasser, Absynthe,

WHATEVER concerns the health and happiness of a people is at all times of the most importance. I take it for granted that every person will do all in their power to save the lives of their children, and that every person will endeavor to promote their own health at all sacrifices. I feel it to be my duty to solemnly assure you that WORMS, according to the opinion of the most celebre ted Physicians are the primary causes of a large majority of diseases to which children and adults are liable; if you have an appetite continually changeable from one kind of food to another, Bad Breath, Pain in the Stomach, Picking at the Nose, Hardness and Fullness of the Belly, Dry Cough, Slow Fever, Pulse Irregular—remember that all these denote WORMS, and you should at once apply the remedy.—

HOBENSACK'S WORM SYRUP. An article founded upon Scientific Principles, compounded with purely vegetable substances, being perfectly safe when taken, and can be given to the most tender Infant with decided beneficial effect, where Bowel Complains and Diarrhoa have made them weak and debilitated the Tonic properties of my Worm Syrup are ruch, that it stands without an equal in the catalogue of medicines in giving tene and strength to the Stomach, which makes at an Infallible remedy for those afflicted with Dyspepsia, the astonishing cures performed by this Syrup after Physicians have failed, is the best evidence of its superior efficacy over all others.

THE TAPE WORM! THE TAPE WORM!

This is the most difficult Worm to destroy of all that infest the human system, it grows to an almost Indefinite length becoming so coiled and fastened in the Intestines and Stomach effecting the health so sadly as to cause St. Vitus Dance, Fits, &c., that those afflicted seldom if ever suspect that it is Tape Worm hastening them to an early grave. In order to destroy this Worm, a very megetic treatment must be pursued, it would therefore be proper to take 6 to 8 of my Liver Pills so as to remove all obstructions, that the Worm Syrup may act direct upon the Worm, which must be taken in done of 9 Tablespoonfulls 3 times a day these directions followed have never been known to fail in curing the most obstinate case of Tape Worm.

HOBENSACK'S LIVER PIELS.

No part of the system is more liable to disease than the LIVER, it rerving as a filterer to purify the blood, or giving the proper secretion to the bile; so that any wrong action of the Liver effects the other important parts of the system, and sesuits variously, in Liver Complaint, Jaundies, Dyspepsia &c. We should, therefore, watch every symptom that might indicate a wrong action of the Liver, These Pills being composed of ROOTS & PLANTS furnished by nature to heal the sick: Namely, lst, An EXPECTORANT, which augments the secretion from the Pulmouary mucus membrane, or promotes the discharge of secreted matter. 2nd. An ALTERATIVE, which changes in some inexplicable and insensible manner the certain morbid action of the system. 3rd, A TONIC which gives tone and strength to the nervous system, renewing health and vigor to all parts of the body. 4th, A CATHARTIC, which acts in perfect harmony with the other ingredients and operating on the Bowels, and expelling the whole mass of corrupt and vitiated matter, and purifying the Blood, which destroys disease and restores health.

TO FEMALES.

You will find these Pills an invaluable medicine in many complaints to which you are subject. In obstructions either total or partial, they have been found of inestimable benefit, restoring their functional arrangements to a healthy action, purifying the blocd and other fluids so effectually to put to flight all complaints which may arise from female irregularities, as headache, giddiness, dimenses of sight, pain in the side back, &c.
