Florida Lands for Sale.

ME following valuable Tracts of LAND, lying in Marion and Alachma counties, will be offered at private sale during the months of October, November and December, next, viz: "WETUMPKA HAMMOCK," situated about ten miles North of Ocala, (the County Seat of Marion County.) containing 3,000 acres, about one half of which is hammock, unsurpassed by any in the State, and the remainder White Oak and Hickory

A TRACT, well known as the "Fort Drane" Plantation, containing 3,000 acres of Land, principally first quality hammock, between four and five hundred acres of which are thoroughly cleared and at present in cultivation. This place for several years averaged two hogsheads of Sugar to the acre, and every year that it has been cultivated has produced fine crops of Corn and Cotton. These tracts could readily be divided into two or three plantations, each being surrounded by

high rolling pine land.

12,000 acres, generally known as the "Bayard Tract," situated on the St. John's River, opposite Picolata. There are many small hammocks and orange groves on this tract, but it is principally valuable for its pine timber. It has a river front of 7 or 8 miles. 1,000 acres on Lake George, and several small tracts (,, and near the St. John's river, well situated for farm-

ing, the rearing of orange groves, &c. The above tracts of Land were purchased by the late Gen. Clinch immediately after the accession of Florida to the United States. From his position at that time, his facilities for selection were unusually great, and it is believed they include as good land as

can be found in the State. On account of their accessibility from Charleston and Savannah, they offer great inducements to planters in Carolina and Georgia wishing to remove.

The titles are clear and indisputable.

Dr. Hoofland's Celebrated German Bitters for the cure

Dr. Hoofland's Celebrated German Bitters for the cure of Liver Complaint, Jaundice, Dyspepsia Chronic or Nervous Debilmy, is deservedly one of the most popular medicines of the day. These Bitters have been used by thousands, and a friend at our elbow says he has himself received an effectual and permanent cure of Liver Complaint from the use of this remedy. We are convinced that, in the use of these Bitters, the patient constantly gains strength and vigor—a fact worthy of great consideration. They are pleasant in taste and smell, and can be used by persons with the most delicate stomachs with safety, under any circumstances. We are speaking from experience and to the afflicted we advise their use.

"Scott's Weekly," one of the best Literary papers published, said, Aug. 25—

As such is the case, we would advise all mothers to obtain a bottle, and thus would advise all mothers to obtain a bottle, and thus we would advise all mothers to obtain a bottle, and thus save themselves much sickness. Fersons of debilitated constitutions will find these Bitters advantageous to their health as we know from experience the salutary effect upon weak systems."

From inquiry we were persuaded to use it, and must say we found it specific in its action upon diseases of the liver and digestive organs, and the powerful influence it exerts upon nervous prostration is really surprising. It calms and strengthens the nervoes, bringing them into a state of repose, making sleep refreshing.

Have them in a healthy condition, and you can bid defiance to epidemics generally. No other medicine can produce such evidences of merit. You other medicine can produce such evidences of merit. Evidence upon evidence has been received (like the foregoing) from all sections of the Union, the last three years, and the strongest testimony in its favor, is, that there is more of it used in the practice of the rogular Physicians of Philadelphia, than all other nostrums combined, a fact that can easily be established, and fully print a scientific preparation will meet with their quoving proval when present, deven in this form.
