Hoofland's German Bitters.

Hundreds of our citizens complain of debility and langeur of the system, derangement of the liver and stomach, want of appetite, &c.; they are frequently the result of too close application, and a thousand other causes we cannot here name; but we would say to all afflicted, do as we have done—get a bottle or two of Dr. Hoofland's German Bitters, prepared by Dr. Jackson, and our word for it you will be cured. We recommend this medicine, knowing from experience that it is much superior to the generality of patent medicines. We would say to our readers, purchase none unless prepared by Dr. C. M. Jackson, Philadelphia.

TO THE SICK.

For the effectual rooting out from the system of al diseases brought on by indigestion, billiousness and impurity of the blood, it is a widely and well known fact that WRIGHT'S INDIAN VEGETABLE PILLS are the great PANACEA. Throughout the entire South, these Pills have long been held in the highest repute, both by private individuals and by the Medical the unfortunate victim to "earthly ills and woes" is made faculty of our country. Southern fevers and Southern diseases generally, yield to their influence at once; and to thank Heaven that a sovereign balm has been provided.

Let each try them for himself and if the medicine fails to satisfy, the experiment shall cost him nothing.
