T J Withers.

Hundreds of our citizens complain of debility and langour of the system, derangement of the liver and stomach, want of appetite, &c.; they are frequently the result of too close application, and a thousand other causes we cannot here name; but we would say to all afflicted, de as we have done—get a bottle or two of Dr. Hoofland's German Bitters, prepared by Dr. Jackson, and our word for it you will be cured. We reson, and our word for it you will be cured. We re-commend this medicine, knowing from experience that it is much superior to the generality of patent medi-cines. We would say to our readers, purchase none unless prepared by Dr C. M. Jackson, Philadelphia.
