Florida Lands for Sale.

THE following valuable Tracts of LAND, lying in Marion and Alachua counties, will be offered at private sale during the months of October, November, and December, next, viz: "WETUMPKA HAMMOCK," situated about ten miles North of Ocala, (the County Seat of Marion County), containing 3,000 acres, about one half of which is hammock, unsurpassed by any in the State, and the remainder White Oak and Hickory land.
A TRACT, well known as the "Fort Drane" Plantation, containing 3,000 acres of Land, principally first quality hammock, between four and five hundred acres of which are thoroughly cleared and at present in cultivation. This place for several years averaged two hogheads of Sugar to the acre, and every year that it has been cultivated has produced fine crops of Corn and Cotton. These tracts could readily be divided into two or three plantations, each being surrounded by high rolling pine land.
A TRACT of 1,000 acres on Orange Lake, consisting of hammock, orange grove and well-timbered pine land.
TWO TRACTS of 1,000 each, near the Alchua Prairie. The greater part of these tracts is rich hammock.
Also, 5,000 acres on Indian river. Any one wishing to cultivate Sugar Cane would do well to examine this land, as, being remarkably fertile, and lying south of the region of frost, it is as well adapted to that culture as any in the United States.
12,000 acres, generally known as the "BAYARD TRACT," situated on the St. John's River, opposite Picolata. There are many small hammocks and orange groves on this tract, but it is principally valuable for its pine timber. It has a river front of 7 or 8 miles.
1,000 acres on Lake George, and several small tracts on and near the St. John's river, well situated for farming, the rearing of orange groves, &c.
The above tracts of Land were purchased by the late Gen. Clinch immediately after the accession of Florida to the United States. From his position at that time, his facilities for selection were unusually great, and it is believed they include as good land as can be found in the State.
On account of their accessibility from Charleston and Savannah, they offer great inducements to planters in Carolina and Georgia wishing to remove.
The titles are clear and indisputable.
Terms cash, or payable at Charleston or Savannah, on or before the first of January.
Any further information on the subject, can be obtained by addressing the subscriber, at Orange Springs, Marion County, Florida.

DR. HOOFLAND'S CELEBRATED GERMAN BITTERS,
PREPARED BY
DR. C. M. JACKSON,
AT THE GERMAN MEDICINE STORE,
120 Arch Street, Philadelphia.

Their power over the above diseases is not excelled—*if equalled—by any other preparation in the United States, as the cures attest, in many cases after skilful physicians had failed.*
These Bitters are worthy the attention of invalids. Possessing great virtues in the rectification of diseases of the Liver and lesser glands, exercising the most searching powers in weakness and affections of the digestive organs, they are without safe, certain and pleasant.
READ AND BE CONVINCED.
FROM THE "Boston Bee."
The editor said, Dec. 22nd
Dr. Hoofland's Celebrated German Bitters for the cure of Liver Complaint, Jaundice, Dyspepsia, Chronic or Nervous Debility, is deservedly one of the most popular medicines of the day. These Bitters have been used by thousands, and a friend at my elbow says he has himself received an efficient and permanent cure of Liver Complaint from the use of these Bitters. We are convinced that, in strength and vigor—a fact worthy of great consideration. They are pleasant in taste and smell, and can be used by persons with the most delicate stomachs with safety, under any circumstances. We are speaking from experience and to the afflicted we advise their use.
"SCOTT'S WEEKLY," one of the best Literary papers published, said, Aug. 25th
"Dr. HOOFLAND'S GERMAN BITTERS, manufactured by Dr. Jackson, are now recommended by some of the most prominent members of the faculty as an article of much efficacy in cases of female weakness. As such is the case, we would advise all mothers to obtain a bottle, and thus save themselves much sickness. Persons of debilitated constitutions will find these Bitters advantageous to their health as we know from experience the salutary effect upon weak systems."

MORE EVIDENCE.
The Hon. C. D. HINSLINE, Mayor of the City of Camden, N. J., says:
"HOOFLAND'S GERMAN BITTERS.—We have seen many flattering notices of this medicine, and the source from which they came induced us to make inquiry respecting its merits. From inquiry we were persuaded to use it, and must say we found it specific in its action upon diseases of the liver and digestive organs, and the powerful influence it exerts upon nervous prostration is really surprising. It calms and strengthens the nerves, bringing them into a state of repose, making sleep refreshing.
"If this medicine was more generally used, we are satisfied there would be less sickness, as from the stomach, liver, and nervous system the great majority of real and imaginary diseases emanate. Have them in a healthy condition, and you can bid defiance to epidemics generally. This extraordinary medicine we would advise our friends who are at all indisposed, to give a trial—it will recommend itself. It should, in fact, be in every family. No other medicine can produce such evidences of merit.
Evidence upon evidence has been received (like the foregoing) from all sections of the Union, the last three years, and the strongest testimony in its favor, is that there is more of it used in the practice of the regular Physicians of Philadelphia, than all other nostrums combined. A fact that can easily be established, and fully proving that a scientific preparation will meet with their approval and commendation. Let us not be misled by the name of a medicine, but let us judge of its merits by its effects. It is a fact, specifically upon the stomach and liver; it is a fact, that it calms in all bilious diseases—the effect is preferable to calomel in all bilious diseases—the effect is preferable and reliable benefit at any time.
They have the written signature of C. M. JACKSON, upon the wrapper, and his name blown in the bottle, without which they are spurious.

ANOTHER SCIENTIFIC WONDER,

FOR THE CURE OF
DYSPEPSIA.
DR. J. S. HOUGHTON'S

Prepared from **RENNET**, or the fourth **STOMACH OF THE OX**, after directions of **BARON LIEBIG**, the great Physiological Chemist, by **J. S. HOUGHTON, M. D.** Philadelphia, Pa. This is a truly wonderful remedy for **INDIGESTION, DYSPEPSIA, JAUNDICE, LIVER COMPLAINT, CONSTIPATION, and DEBILITY**, Curing after Nature's own method, by Nature's own Agent, the Gastric Juice.
Half a teaspoonful of Pepsin, infused in water, will digest or dissolve, **Five Pounds of Roast Beef** in about two hours, out of the stomach.
PEPSIN is the chief element, or Great Digesting Principle of the Gastric Juice—the **Solvent of the Food, the Purifying, Preserving, and Stimulating Agent of the Stomach and Intestines.** It is extracted from the Digestive Stomach of the Ox, thus forming an **ARTIFICIAL DIGESTIVE FLUID**, precisely like the natural Gastric Juice in its Chemical powers, and furnishing a **COMPLETE and PERFECT SUBSTITUTE** for it. By the aid of this preparation, the pains and evils of **INDIGESTION and DYSPEPSIA** are removed, just as they would be by a healthy Stomach. It is doing wonders for Dyspeptics, curing cases of **DEBILITY, EMACIATION, NERVOUS DECLINE, and DYSPEPTIC CONSUMPTION**, supposed to be on the verge of the grave. The Scientific Evidence upon which it is based, is in the highest degree **CURIOUS and REMARKABLE.**

SCIENTIFIC EVIDENCE!

BARON LIEBIG in his celebrated work on Animal Chemistry, says: "An Artificial Digestive Fluid, analogous to the Gastric Juice, may be readily prepared from the mucous membrane of the stomach of the Ox, in which various articles of food, as meat and eggs, will be softened changed, and digested, just in the same manner as they would be in the human stomach."

\$500 CHALLENGE.

WHAT EVER concerns the health and happiness of a people is at all times of the most importance. I take it for granted that every person will do all in their power, to save the lives of their children, and that every person will endeavor to promote their own health at all sacrifices. I feel it to be my duty to solemnly assure you that **WORMS**, according to the opinion of the most celebrated Physicians, are the primary causes of a large majority of diseases to which children and adults are liable; if you have an appetite continually changeable from one kind of food to another, Bad Breath, Pain in the Stomach, Picking at the Nose, Irritability and Fullness of the Bowels, Headache, Stomach, Fever, Piles, Irregularity of the Menstrual Periods, and a host of other ailments, you should at once apply the remedy.
HOBENSACK'S WORM SYRUP.
An article founded upon Scientific Principles, compounded with purely vegetable substances, being perfectly safe when taken, and can be given to the most tender Infants with decided beneficial effect, where Bowel Complaints and Diarrhoea have made them weak and debilitated. The Tonic properties of my Worm Syrup are such, that it stands pre-eminently on an equal in the catalogue of medicines in giving tone and strength to the Stomach, which makes it an infallible remedy for those afflicted with Dyspepsia, the astonishing cures performed by this Syrup after Physicians have failed, is the best evidence of its superior efficacy over all others.

THE TAPE WORM!

This is the most difficult Worm to destroy of all that infest the human system, it grows to an almost infinite length, becoming so entangled in the Intestines, that the Stomach effecting the health so readily as to cause St. Vitus's dance, Fits, &c., that those afflicted seldom if ever suspect that it is Tape Worm hastening them to an early grave. In order to destroy this Worm, a very energetic treatment must be pursued, it would therefore be proper to take 6 to 8 of my Liver Pills so as to remove all obstructions, then the Worm can be taken out, and the discharge of secreted matter. 2nd.
