Florida Lands for Sale.

THE following valuable Tracts of LAND, lying in Marion and Alachma counties, will be offered at private sale during the months of October, November and December, next, viz: "Wetcheka Hammock," situated about ten miles North of Ocala, (the County Seat of Marion County.) containing 3,000 acres, about one half of which is hammock, unsurpassed by any in the State, and the remainder White Oak and Hickory

A TRACT, well known as the "Fort Drane" Plantation, containing 3,000 acres of Land, principally first quality hammock, between four and five hundred acres of which are thoroughly cleared and at present in cultivation. This place for several years averaged two hogsheads of Sugar to the acre, and every year that it has been cultivated has produced fine crops of Corn and Cotton. These tracts could readily be divided into two or three plantations, each being surrounded by

high rolling pine land.
A TRACT of 1.000 acres on Orange Lake, consisting of hammock, orange grove and well-timbered pine

TWO TRACTS of 1,000 each, near the Alchua Prairie. The greater part of these tracts is rich ham-

-Also, 5,000 acres on Indian river. Any one wishing go e-iltivate Sugar Cane would do well to examine this land, as, being remarkably fertile, and lying south of the region of frost, it is as well adapted to that culture as any in the United States.

12,000 acres, generally known as the "BAYARD TRACT," situated on the St. John's River, opposite Picolata. There are many small hammocks and orange groves on this tract, but it is principally valuable for its pine timber. It has a river front of 7 or 8 miles.

1,000 acres on Lake George, and several small tracts (,, and near the St. John's river, well situated for farm-

ing, the rearing of orange groves, &c.

The above tracts of Land were purchased by the late Gen. Canch immediately after the accession of Florida to the United States. From his position at that time, his facilities for selection were unusually great, and it is believed they include as good land as

can be found in the State. On account of their accessibility from Charleston and Savannah, they oner great inducements to planters in Caroima and Georgia wishi, g to remove.

The titles are clear and indisputable.

Terms cash, or payable at Charleston or Savannah,

on or before the first of January.

The editor said, Dec. 22nd

Dr. Hoofland's Celebrated German Bitters for the cure of Liver Complaint, Jaundice, Dyspepsia Chronic or Nervous Debilny, is deservedly one of the most popular medicines of the day. These Bitters have been used by thousands, and a friend at our chow says he has himself received an effectual and permanent cure of Liver Complaint from the use of this remedy. We are convinced that, in the use of these Bitters, the patient constantly gains strength and vigor—a fact worthy of great consideration. They are pleasant in taste and smell, and can be used by persons with the most delicate stomachs with safety, under any circumstances. We are speaking from experience and to the afflicted we advise their use.

From inquiry we were persuaded to use it, and must say we found it specific in its action upon diseases of the liver and digestive organs, and the powerful influence it exerts upon nervous prostration is really surprising. It calms and strengthens the nerves, bringing them into a state of repose, making sleep refreshing.
"If this medicine was more generally used, we are satisfied there would be less sickness, as from the stomach, liver, and nervous system the great majority of real and and imaginary diseases emanate. ANOTHER SCIENTIFIC WONDER.

FOR THE CURE OF A TES CIETOTES TO

Prepared from RENNET, or the fourth STOM-ACH OF THE OX, after directions of BARON LIEBIG, the great Physiological Chemist, by J. S. HOUGHTON, M. D. Philadelphia, Pa. This is a truly wonderful remedy for INDIGES-TION, DYSPEPSIA, JAUNDICE, LIVER COMPLAINT, CONSTIPATION, and DEBIL-ITY, Curing after Nature's own method, by Nature's own Agent, the Gastric Juice "Half a teaspoonful of Persin, infused in wa-

ter, will digest or dissolve, Fire Pounds of Roast f in about two hours, out of the stomach. PEPSIN is the chief element, or Great Digesting Principle of the Gastric Juice-the Solvent of the Food, the Purifying, Preserving, and Stimulating Agent of the Stomach and Intestines. It is extracted from the Digestive Stomach of the Ox, thus forming an ARTIFICIAL DIGESTIVE FLUID, precisely like the natural Gastric Juice in its Chemical powers, and furnishing a COM-PLETE and PERFECT SUBSTITUTE for it.

By the aid of this prepriation, the pains and evils of INDIGESTION and DYSPEPSIA are removed, just as they would be by a healthy Stonach. It is doing wonders for Dyspeptics, curing cases of DEBILITY, EMACIATION, NERVOUS DE-CLINE, and DYSPEPTIC CONSUMPTION, supposed to be on the verge of the grave. The Scientific Evidence upon which it is based, is in the highest degree CURIOUS and REMARKA-

SCIENTIFIC EVIDENCE:

BARON LIEBIG in his celebrated work on Animal Chemistry, says: "An Artificial Digestive Fluid, analogous to the Gastric Juice, may be readily prepared from the mucous membrane of the stomach of the Ox, in which various articles of food, as meat and eggs, will be softened changed, and digested, just in the same manner as they would be in the human stomach."

\$500 CHALLENGE,

WHATEVER concerns the health and happiness of a people is at all times of the most importance. I take it for granted that every person will do all in their power, to save the lives of their children, and that every person will endeavor to promote their own health at all sarrifices. I feel it to be my duty to solemnly assure you that WORMS, according to the opinion of the most celebrated Physicians, are the primary causes of a large majority of diseases to which children and adults are liable; if you have an appetite continually changeable from one kind of food to another. Bad Breath, Pain in the Stomach, Picking at the Nose, Hardness and Fullness of the Belly, Dry Cough, Slow Fever. Pulse Irregular—remember that all these denote WORMS, and you should at once apply the remedy.

HOBENSACK'S WORM SYRUP.

An article founded upon Scientific Principles, compounded with purely vegetable substances, being perfectly safe when taken, and can be given to the most tender Infant with decided beneficial effect, where Bowel Compliants and Diarrhoea have made them weak and debilitated the Tonic properties of my Worm Syrup are each, that it stands without an equal in the catalogue of medicines in giving tene and strength to the Stomach, which makes it an Infallible remedy for those afflicted with Dyspepsia, the astonishing cures performed by this Syrup after Physicians have failed, is the best evidence of its superior efficacy over all others.

HOBENSACK'S WORM SYRUP.

over all others.

THE TAPE WORM! THE TAPE WORM!

This is the most difficult Worm to destroy of all that infest the humon system, it grows to an almost Indefinite length becoming so coiled and fastened in the Intestines and Stomach effecting the health so sadly as to cause. St. Vitus Pance, Fits, &cc., that those afflicted seldom if ever suspect that it is Tape Worm hustening them to an early grave. In order to destroy this Worm, a very energetic treatment must be pursued, it would therefore be proper to take 6 to 8 of my Liver Pills so as to remove all obstructions, that the Worm Syrup may act direct upon the Worm, which must be taken in doses of 2 Tablespoonfulls 3 times a day these directions followed have never been known to fail in curing the most obstinate case of Tape Worm.

HOBENSACK'S LIVER PILLS.

No part of the system is more liable to disease than the LIVER, it serving as a filterer to purify the olood, or giving the proper secretion to the bile; so that any wrong action of the Liver effects the other important parts of the system, and esuits variously, in Liver Complaint, Jaundice, Dyspepsin &c.
