# ANOTHER SCIENTIFIC WONDER. FOR THE CURE OF

DIRSPIPERA. DR. J.S. HOUGHTON'S

Prepared from RENNET, or the fourth STOM-ACH OF THE OX, after directions of BARON LIEBIG, the great Physiological Chemist, by J. S. HOUGHTON, M. D. Philadelphia, Pa. This is a truly wonderful remedy for INDIGES-TION, DYSPEPSIA, JAUNDICE, LIVER COMPLAINT, CONSTIPATION, and DEBIL-ITY, Curing after Nature's own method, by Nature's own Agent, the Gastric Juice

Half a teaspoonful of PEPSIN, infused in water, will digest or dissolve, Fire Pounds of Roast Be f in about two hours, out of the stomach.

PEPSIN is the chief element, or Great Digestng Principle of the Gastric Junce--the Solvent of the Food, the Purifying, Preserving, and Stimulating Agent of the Stomach and Intestines. It is extracted from the Digestive Stomach of the Ox, thus forming an ARTIFICIAL DIGESTIVE FLUID, precisely like the natural Gastric Juice in its Chemical powers, and furnishing a COM-PLETE and PERFECT SUBSTITUTE for it. By the aid of this preprration, the pains and evils of INDIGESTION and DYSPEPSIA are removed, just as they would be by a healthy Sto...ach. It is doing wonders for Dyspeptics, curing cases of DEBILITY, EMACIATION, NERVOUS DE-It is CLINE, and DYSPEPTIC CONSUMPTION, supposed to be on the verge of the grave. The Scientific Evidence upon which it is based, is in the highest degree CURIOUS and REMARKA-BLE.

#### SCIENTIFIC EVIDENCE!

BARON LIEBIG in his celebrated work on Animal Chemistry, says: "An Artificial Digestive Fluid, analogous to the Gastric Juice, may be readily prevared from the mucous membrane of the stomach of the Ox, in which various articles of food, as meat and eggs, will be softened changed, and digested, just in the same manner as they would be in the human stomach."

# Florida Lands for Sale.

THE following valuable Tracts of LAND, lying in Marion and Alachma counties, will be offered at private sale during the months of October, November and December, next, viz: "WETCMPKA HAMMOCK," situated about ten miles North of Ocala, (the County Seat of Marion Counry.) containing 3,000 acres, about one half of which is hammock, unsurpassed by any in the State, and the remainder White Oak and Hickory land.

A TRACT, well known as the "Fort Drane" Plantation, containing 3,000 acres of Land, principally first quality hammock, between four and five hundred acres of which are thoroughly cleared and at present in cultivation. This place for several years averaged two hogsheads of Sugar to the acre, and every year that it has been cultivated has produced fine crops of Corn and Cotton. These tracts could readily be divided in-to two or three plantations, each being surrounded by

high rolling pine land. A TRACT of 1,000 acres on Orange Lake, consisting of hammock, orange grove and well-timbered pine land

TWO TRACTS of 1,000 each, near the Alchua Prairie. The greater part of these tracts is rich hammock

Also, 5,000 acres on Indian river. Any one wishing to cultivate Sugar Cane would do well to examine this land, as, being remarkably fertile, and lying south of the region of frost, it is as well adapted to that culture as any in the United States.

12,000 acres, generally known as the "BAYARD TRACT," situated on the St. John's River, opposite Picolata. There are many small hammocks and orange groves on this tract, but it is principally valuable for its pine timber. It has a river front of 7 or 8 miles. 1,000 acres on Lake George, and several small tracts Land near the St. John's river, well situated for farm-

ing, the rearing of orange groves, &c. The above tracts of Land were purchased by the late Gen. Clinch immediately after the accession of Florida to the United States. From his position at that time, his tacilities for selection were unusually great, and it is believed they include as good land as can be found in the State.

On account of their accessibility from Charleston and Savannah, they offer great inducements to planters in Carolina and Georgia wishing to remove. The titles are clear and indisputable.

The titles are clear and independent. Terms cash, or payable at Charleston or Savannah, on or before the first of January. Any further information on the subject, can be ob-tained by addressing the subscriber, at Orange Spring
