PROCLAMATION. BY THE PROVISIONAL GOVERNOR OF SOUTH CAROLINA.

EXECUTIVE DEPARTMENT, S. C., September 4, 1865.

WHEREAS, A SEEMING CONFLICT of jurisdiction, having arisen between the Civil and Military Authorities of South Carolina, under the Provisional Government of the State; and whereas, Major General Gillmore, commanding the Department of South Carolina, having sought an interview with me, as Provisional Governor, in the presence of General Meade commanding the Atlantic States; and whereas, all matters giving rise to the seeming conflict were adjusted and arranged with the consent and approval of Major General Meade;

Now therefore, I, BENJAMIN FRANKLIN PERRY, Provisional Governor of the State of South Carolina, do proclaim and make known, that the terms of this arrangement are as follows: "That in all cases where freedom of persons of color are concerned, the Courts of the Provost Marshal shall have exclusive cognizance to try and adjust them, for the present; and that all other cases shall be heard and adjudicated by the Civil Courts, Municipal Authorities and Civil Officers, under and according to the laws of South Carolina. That the Civil Courts shall be opened under the Provisional Government and all Civil and Municipal Officers be allowed to resume their official duties and discharge them freely without interruption on the part of the Military Authorities.

That it is further understood General Gillmore will issue a military order, and Governor PERRY will in like manner, issue his Proclamation, making known this arrangement, which is to continue till Civil Authority is entirely restored in this State and the Government reconstructed.

And I do hereby call upon all persons and order them to strictly obey and carry out the terms of this arrangement. Done in the city of Columbia, the day and year above stated.

PROCLAMATION BY THE PROVIS'L GOVERNOR.

EXECUTIVE DEPARTMENT, S. C., SEPTEMBER 18, 1865.

WHEREAS IT IS REPRESENTED that in many portions of the State there is great disturbance and apprehension from lawless persons, who are thieving, marauding and committing acts of violence remote from the military garrisons stationed at the Court Houses; and whereas Brigadier General Ames, commanding the North-western portion of the State, has suggested the organization of a militia police force in each District of his command, to act in concert with his forces in preserving order and peace in the community; and whereas it is supposed that the other military commanders will have no objections to the aid and assistance on the part of the citizens in suppressing crime and maintaining order; and whereas, also, it appears that President Johnson has sanctioned and authorized the Provisional Governor of Mississippi to organize a similar force in that State, and has forbidden the military authorities there to interfere with such organization.

Now therefore, I, BENJAMIN F. PERRY, Provisional Governor of the State of South Carolina, do proclaim, order, and declare, that there shall be formed and organized in each Judicial District one or more militia companies for home police, to act under and be auxiliary to the military garrison of such District in preventing crimes and preserving the peace of the District. The companies will consist of a Captain and three Lieutenants and eighty men, scattered over the district so as to be easily accessible from all points where any disturbance may occur. When the companies are formed, they will report, through their Captains, to the respective Brig. Generals commanding in South Carolina, and to the Provost Marshals at the respective Court Houses, and from them receive their orders. When arrests have been made, they will turn them over to the civil authorities or bring them before the Provost Court Marshal for trial and punishment, according to the terms of agreement between Generals Meade and Gillmore and myself as to the respective jurisdictions of the civil and military authorities in South Carolina.

This police guard will be voluntary in its organization, and should be composed of none but discreet persons of standing and character in the community, who are willing to render their services promptly, when the occasion requires. It is thought that the bare organization of such forces throughout the State, will have a most salutary influence in preserving peace and order and in preventing crime. The evil doers will know that there is a power, ready at hand, to arrest them and bring them to justice. It is to be hoped that all good citizens will cheerfully render this service. It should be a post of honor, as it is, to guard and to protect the country.

Done at Columbia, the day and year above stated. B. F. PERRY, By order of the Provisional Governor. W. H. PERRY, Private Secretary. The newspapers throughout the State will give three insertions. September 22.
