Clinton Citizens Receiving Forms For Federal Income

Clinton citizens are receiving their 1941 tax return forms and are figuring out and paying what will be for many the first income tax they have ever paid and what will be for all the highest taxes they have ever paid.

To meet the ever-rising costs of war, the income tax base has been lowered and the amount people have been increased in the higher brackets of those who must be filed and the tax paid by March 15.

Here are some important facts on the 1941 income tax:

Who Must Make a Return? Every single persons having a gross income of $750 or more; married persons person not living with husband or wife, not having a gross income of $1,500 or more; and married persons living with husband or wife, who have an aggregate gross income of $1,500 or more.

When Must Returns Be Filed? For the calendar year 1941, on or before March 16, 1942. For a fiscal year, on or before the 15th day of the third month following the close of the fiscal year.

Where and With Whom Must Returns Be Filed? In the internal revenue district in which the person lives or has his chief place of business, and with the collector of internal revenue.

How Does One Make Out His Income Tax Return? By following the detailed instructions given on the income tax blanks, Form 1040 and Form 1040A (optional simplified form).

What Is the Tax Rate? A normal tax of 4 per cent on the amount of the net income in excess of the credits against net income (personal exemption, credits for dependents, interest on obligations of the United States and its instrumentalities and earned income credit) is the computation of the normal tax net income, and a graduated surtax on the amount of net income in excess of the allowable credits (personal exemption and credit for dependents) against net income in the computation of the surtax net income.
