Derrell Neal has been ill the past few days.

Birth Announcement
Stroud
Mr. and Mrs. Dwight Stroud announce the birth of a son, Dwight Theodore, June 30. Mrs. Stroud is the former Miss Nellie McLendon.

Beautification Campaign In Village To Close
A community-wide program at the playground in front of the Scout cabin at Lydia on July 17, at 8:30, will end the "clean-up" and beautification campaign sponsored by the Homemakers club. Special features of the evening will be the awarding of prizes to contestants by Leroy Burns, county superintendent of education, chorus of Homemakers led by Miss Rosa Mahaffey, and recreational games directed by Bruce Galloway of Goldville.

On Wednesday, July 8, the contest ended. The judging will take place Thursday, Friday and Saturday. Much interest has been shown by the people of the community, who have responded gladly in the growing of flowers and vegetables and also in a community-wide "clean-up."

Out-of-town judges will select first, second and third prize winners on this basis:

1. The cleanest, most attractive yards and surroundings, both back and front yards.

2. The street that has made the most improvement.

3. The chairman who has enlisted the most homes in the campaign and secured the best results.

4. The best vegetable garden.

5. The best flower garden.

Chicken mulligan and ice cream will be sold by the Homemakers club. The public is cordially invited.

RATION CARD SEAL GOOD FOR GAS JULY 15-21

That war bond seal—the shield printed in the upper left corner of "A" and "B" gasoline rationing cards—is good for one ration of gas, but only during the period July 15 to July 21, the South Carolina office of price administration explained yesterday.

The OPA statement followed a flurry of inquiries as to when the seal could be punched by filling station operators. Previously it had been announced that the seal would be good for one ration of gas to enable the present rationing plan to operate for one week beyond July 15. The new gasoline coupon rationing system goes into effect on July 22.

The gallonage value of the seal varies with the type of card. On automobile "A" cards the seal punch is worth three gallons; on "B-1" cards, four gallons; on "B-2" cards, five gallons; on "B-3" cards, six gallons. On motorcycle cards the seal is valued at 1.2 gallons for "A" cards;

1.6 gallons for "B-1" cards; 2 gallons for "B-2"; and 2.4 gallons for "B-3" cards.

Uncancelled units on the ration cards—those designated by numbers—may be used until July 21. Their value is six gallons each.
