

Notes From The County Agent's Office

Farmers To Attend Forage Crop School

Friday, August 7, at 10:30 a.m., a forage crop school is to be held on the farm of William Balentine, six miles from Newberry on the Newberry-Clinton highway.

Various demonstrations will be observed during the day dealing with the production, harvesting, storing and uses of forage crops. Construction and filling of a silo will take place during the day. Various silage crops, including corn and soybeans, sorghum and soybeans, and straight legumes will be harvested and put in the silo during the day. The showing of annual hay crops seeded at various rates and with various fertilizer treatment, harvesting and curing of hay will be shown.

A grazing system, including pasture and annual grazing crops, which will furnish grazing at least 10 months in the year, will be observed, as well as the effects of lime and phosphate on permanent pasture. Information on establishing new pasture, a demonstration of the application of lime and fertilizer to old pastures using various types of spreaders will also be furnished. A demonstration on the care, repair, and adjustment of various equipment used in connection with forage crops such as ensilage cutters, mowers, etc., will

be given. Also a demonstration on the proper method of handling milk and milk utensils will be conducted by ladies just after lunch. The lunch is to be an "old fashioned picnic" style and everyone attending is asked to bring a picnic lunch.

Clemson college extension service is cooperating in holding the school. Farmers who expect to keep or have livestock on their farms will find the time well spent by attending the field day.

Joanna Wins Over Clinton In Play-Off

Joanna ran up a 3-0 lead in the first three innings Saturday and shut out Clinton Mills all the way through for a 3-0 triumph in the opening game played here of the best-three-out-of-five playoff in the Mid-Carolina textile baseball league.

R. Prater, Joanna twirler, was in command of the situation from the start and let the local team down with five scattered blows.

S. Sanders was the only Clinton batsman to solve Prater's slants, the catcher hammering out a double and a single in three trips to the platter. Second baseman Case garnered two for four, and L. Farmer one for two for Goldville.

The two clubs will resume their play off Saturday afternoon at Goldville.

The Roberts Go To Myrtle Beach

Rev. and Mrs. J. K. Roberts and two boys left Saturday for Myrtle Beach, where they will spend the month of August. The Roberts had intended spending their vacation at Lee, Va., but changed their plans a few days ago. While at Myrtle Beach Mr. Roberts will supply the Presbyterian church, which is without a pastor.

Thanks... From Eugene S. Blease

TO THE PEOPLE OF LAURENS COUNTY:

Please let me thank you for the kindnesses you showed me when I was at your campaign meeting as a candidate for the United States Senate. I appreciate greatly the encouragement you have given me in the race. With your help, and the help of many good people in other counties of our State, I feel sure I shall be elected. If so, I will do the best I can to serve our people.

Respectfully,

EUGENE S. BLEASE

Mrs. R. E. Wysor returned yesterday to her home in College Park, Md., after visiting Mrs. R. S. Owens and other friends in the city.

U. S. NAVY HELD BIGGEST

Washington, Aug. 3.—The United States now has the largest navy in the world and before the war is over it will embrace 1,000,000 men, House Democratic Leader John W. McCormack and House Republican Leader Joseph W. Martin, Jr., said last night in a radio interview.

They appeared jointly for the purpose of encouraging navy enlistments, outlining the advantages to the nation's youth of this armed service.

"I think it is safe to say that before the war is over, and victory is won, the American navy will total a million men," Martin said. "I can promise you that this country is to have the biggest navy in world history—and that day is not far in the future."

McCormack said that United States naval forces in the Pacific are equal to those of "the rising sun which will soon be a setting sun." He said there is even the possibility that American forces are superior in number "to what remains of the Japanese fleet."

"America's navy is now the biggest in the world, and it is getting bigger and stronger with every day that passes," he said.

SAY, "I SAW IT IN THE CHRONICLE." THANK YOU.
