Radio Learner Course Is Offered

The local office U. S. Employment service issued the following statement yesterday:

A course entitled "Mechanic Learner (Radio)" will be given at the Greenville high school, beginning the last Monday in August. Applicants who are accepted for this course will be paid \$85.00 per month for the first three-months course. Upon completing this training successfully, the trainee will be promoted to the high-

er course of junior repairman trainee or will be sent into the field to do the actual work and to learn theory at the same time, at the higher salary of \$120.00. The training will be under the supervision of the United States army signal corps.

Applicants in selective service

Uncle Sam Spending \$107,392 Per Minute

Washington, Aug. 11.—War spending by the United States reached a rate of \$1,790 a second in July.

The Office of War Information reported today that disbursements by the Treasury and expenditures by the Reconstruction Finance corporation and its subsidiaries for war purposes totaled \$4,794,000,000, compared with the previous record of \$4,123,000,000 in June.

This was at the rate of \$154,645,161 a day for July's 31 days, or \$6,443,548 an hour and \$107,392 a minute.

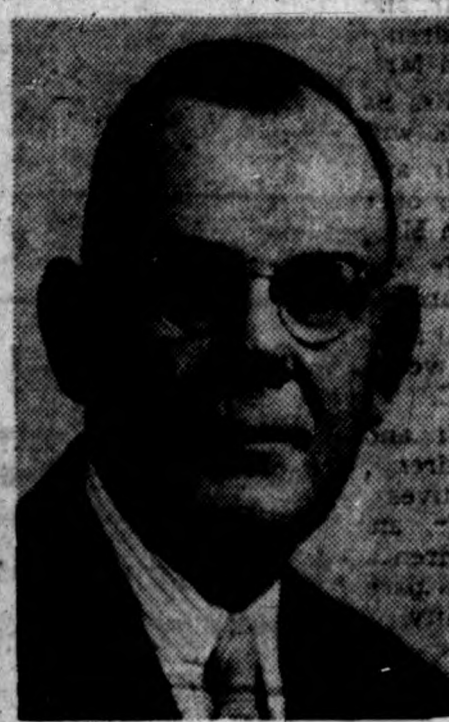

To relieve distress of MONTHLY Female Weakness AND HELP BUILD UP RED BLOOD! Lydia E. Pinkham's TABLETS (with added iron) have helped thousands of girls to relieve functional monthly pain and weak feelings. Pinkham's Tablets ALSO help build up red blood and thus aid in promoting more strength. Made especially for women. Follow label directions. Worth trying!

classification 1-A will be required to enlist in the signal corps reserve at the beginning of the course, and upon completion of the three months training will be inducted into the army. Applications may be filed through the Clinton office of the U. S. employment service.
