That Extra Something!
...You can
spot it every time

YOUR grocer is really a counselor on quality. When in doubt about brands, his "extra something" can guide your choice. Ask him what soft drink he has drunk recently. 6 out of 10 grocers will tell you, "Coca-Cola".

Every sip tells the story of quality in Coca-Cola. Its delicious and distinctive taste goes beyond mere thirst-quenching to give you welcome refreshment. Fifty-seven years of experience give it unique goodness.

Your grocer knows that when you ask for Coca-Cola... or use its friendly abbreviation, Coke... you want the real thing.

Wartime limits the supply of Coca-Cola. Those times when you cannot get it, remember Coke, being first choice, sells out first. Ask for it each time. No matter how short the supply, the quality of Coca-Cola carries on.

The best is always the better buy!
