MRS. TOWNSEND TO HEAD RED CROSS WAR FUND DRIVE

Mrs. J. B. Townsend has been named chairman of the Clinton Branch Red Cross war fund campaign to be staged in March, J. Roy Gasque, chairman of the local chapter, announced yesterday.

Mrs. Townsend will name the heads of the divisions who are to work with her. Neither the exact date nor the goal for the drive has been set.

The war relief fund campaign which is this year combined with the membership drive is to give the people in the Clinton area an opportunity to contribute to the war work being conducted by the Red Cross.

"This campaign will be by far the most important one that the Red Cross has ever conducted because of the need for funds to carry on the work with service men and their families," according to the chairman. Among the services which are given through the local chapter are communications with men overseas, medical attention and shipment of hospital garments and knit goods.

The soldier's commanding officer may call on the Red Cross for investigations regarding conditions in considering questions of discharge and furlough. Loans are sometimes made by chapters at army posts to soldiers to visit homes in cases of need such as distress, sickness or death, after proper verification. Many such problems as arranging for relief for distress of the soldier's family, assistance in locating the soldier's family, securing employment for members of his family, advice on welfare matters, government insurance, allotments, pensions and personal problems are handled through the Red Cross. The chapters serve as a connecting link between the service men and their families thereby bolstering morale by relieving distress and anxiety. The chapter representatives at home interview the families and relay desired information to camps or station hospitals. The Red Cross with its workers follows the service men right into the heart of battles and for recreation in the war area is operating Red Cross clubs.

SUIT FOR \$20,000 FILED IN CROSS HILL SHOOTING CASE

Laurens, Jan. 23.—A suit seeking \$10,000 in personal damages and \$10,000 in punitive damage has been filed against former State Senator Carroll D. Nance by Mrs. Ella McSwain Coleman. Both are of Cross Hill.

The suit alleges that Mrs. Coleman was wounded in a shotgun blast last October 20 that struck her car and inflicted four wounds in her face and head.

The suit set forth that the wounds caused "intense pain and suffering and permanently damaged her health."

Mrs. Coleman was allegedly fired upon as she, with two of her small children, was driving away from a

store and filling station operated by her husband.

Nance is under bond in connection with the shooting pending a hearing in general sessions court on a warrant charging him with assault and battery with intent to kill.

At the time of posting bond Nance was quoted by officers as saying that he knew nothing of the incident and that he had nothing to do with the reported shooting.
