

Summer Camp For Young People At 'Riverside'

Plans have been completed for holding a "Pioneer" summer camp for a number of young people of South Carolina presbytery at the Thornwell orphanage Riverside cottages on Enoree river near here.

The conference will be held beginning Monday, June 28, and continuing through July 3. It will be under the direction of Rev. and Mrs. C. F. Allen and will be open to boys and girls in the 12-14 year age group.

The camp committee will consist of Rev. David Boozer, chairman, Rev. C. A. Calcote and Rev. Hubert Wardlaw. Counsellors will be Miss Luella Allen, Miss Eleanor Fleming, Mrs. C. A. Calcote and Mrs. Hubert Wardlaw.

Young people attending from the Presbyterian churches of this community are requested to bring bed linen, towels, etc., ration books for the week of June 28 and a week's supply of sugar.

TOO MUCH CHAOS IN FOOD PRICES; PACKERS GIVE UP

Seattle, Wash., June 14.—Four Washington packing companies said today that they had suspended slaughtering. Their officials declared the action resulted from confusion over prices, subsidies and roll-backs.

The Gibson Packing company at Yakima, Shaake Packing company at Ellensburg, and the Acme and James Henry Packing companies at Seattle, all reported they would stop slaughtering.

Pinson Disposes Of Gulf Agency Here

F. C. Pinson, well known business man of the city, has sold his business as distributor for the Gulf Oil corporation to John A. Addison of Goldville. The new owner has already taken over the management of the business.

Mr. Pinson, with associates, established the Gulf agency here in 1924. In recent years he has held the agency as distributor, serving Clinton and this area with Gulf products.

Mr. Pinson stated yesterday that he will give his entire time in the future to the Clinton Mercantile company of which he is president.

U. S. Bombers Bag Nazi Planes 6 to 1

Washington, June 15.—American four engined bombers over Europe have been shooting German planes out of the skies at a ratio of nearly six to one, a war department summary disclosed today.

It showed that in 18 heavy bombardment missions—all daylight, high altitude precision bombing forays—four-engined bombers made approximately 1,600 sorties against German targets and shot down 571 German planes, probably destroyed 187, and damaged 231 in aerial combat.

American losses amounted to 106 planes up to and including the attacks of the past week-end, for which only preliminary figures are available.

The summary did not break down losses on each side by types. Presumably, American losses were largely heavy bombers and the German losses were fighter planes. Nor did it take into account the possible destruction of many German planes on the ground.

Cadets' Center Now Open Daily

Mrs. Forrest Adair, who is connected with the office of Dr. Felder Smith and Dr. Duncan Felder, optometrists, has been named secretary of the service men's center, recently opened on West Main street, as recreational quarters for the cadets of the 39th Training detachment, and other service men.

The building is open daily and is proving a popular meeting place for the cadets. Funds for opening the center were provided by the City of Clinton, local organizations and individuals. It is connected in no way with the USO organization.

CLARK SPEAKS ON VALUE OF BIBLE COURSE IN SCHOOLS

A union service of the city churches, sponsored by the local Ministerial association, was held Sunday evening at Broad Street Methodist church in the interest of a plan to introduce the teaching of the Bible in the local high school the coming year.

The speaker for the occasion was Dr. Harry H. Clark of the University of South Carolina, who used as his subject, "The Bible in the Public Schools."

Dr. Clark stated that more than 500 schools in the United States now have the Bible taught regularly in their systems and cited a number of towns and cities, including several in this state, where the plan has been

inaugurated and is successfully in operation.

Where the Bible has been taught in the public school systems, he said, juvenile delinquency has decreased and a higher moral standard maintained among students. He mentioned the fact that when the Bible is not understood, there can be no proper understanding of art, poetry, literature or music.

The program, Dr. Clark said, is non-sectarian, it is not a case of tying church and state together. Bible instruction and the operation of the schools are kept separate.

Where the program is introduced the Bible instructor is supervised by a board of religious education composed of ministers and laymen of the community, the speaker said.

The meeting was held preliminary to an effort sponsored by the city ministers to institute the teaching of the Bible in the high school for the coming year. Funds to carry on the work are to be raised by public subscriptions, it is stated.
